Chester Council Rejects Conference With Barron

A move to meet with West Virginia Gov. W. W. Barron concerning slot machines and illegal liquor sales in Chester was turned down, 3-2, by Council at a meeting Tuesday night.

Councilman Carl Graham joined with Councilmen Donald Hissam and Charles Kology to defeat the proposal submitted by Councilman Donald Chaney.

Chaney referred to the raids by State Police July 13 in which 10 persons were arrested at six northern Hancock County clubs and taverns, including the Chester American Legion Post, where nine slot machines were seized, and the Holiday Lounge of W. Carolina Ave.

CHANNEY said: "It is embarrassing to the city, and if we—the city—can't do anything about it, a committee should meet with

the head of the State Police and Gov. Barron."

Councilman Graham and Hissam stated they felt a proper job is being done and there is no need for a meeting.

Councilman Wayne Hutton said: "The slot machines were out one night and new ones in the next." "It is a bad condition," he went on, "and if the governor knew our feelings on it and he wanted to, he could clean up."

HE ADDED: "No one has gone to the governor. We know it is going on and nothing can be done about it."

He said he would be willing to take a day off from work and go to Charleston for a meeting. Councilman Hissam declared he wouldn't embarrass himself by talking with the governor on the subject.

Hutton asserted: "It might give us a bargaining point. I understand there are towns and cities in West Virginia where there is no whisky sold and no slot machines."

Kology said he believes it would be better for a group of citizens to meet with the governor rather than five councilmen.

GRAHAM stated: "Anyone who wants to go see the governor can go," adding, "This has hit the state level."

The motion on the proposal was seconded by Hutton, but failed to pass.

Hearings are slated Saturday before Squire Thomas P. Belanco of Weirton for those cited in the recent raids on charges which include possession of gambling devices, possession of whisky and sale of whisky.

\$100,000 Cost Seen

Improvement Set At Old Dam 8 Site

The U. S. Corps of Engineers in Pittsburgh is planning additional construction work at the site of former Dam 8 on the Ohio River in Newell, to be converted to public use.

Plans call for the site to be converted to a public access area to supplement a boat launching ramp constructed nearby by the engineers a few years ago.

Advance notices have been mailed to bidders for the newest improvement project at the riverbank site. The approximate value of the proposed work is \$100,000.

THE WORK will include removal of existing buildings, clearing and grubbing, excavation of 4,800 cubic yards of earth, installation of a 3,600 square-yard hard surface parking area, erection of a comfort station and installation of water and sewage facilities.

The engineers apparently plan to convert the site into a public park, although they describe it as a sight-seeing point along the riverbank in Hancock County.

A BOAT launching ramp installed a few years ago has proved to be an attraction for area small craft owners, and the ramp is used heavily in the summer boating season.

Two large brick buildings presently stand on the site, which is downriver about a mile opposite East Liverpool. The buildings were abandoned with demolition of the wicket-type locks a few years ago due to construction of the Stratton superdam.

In describing the work to be performed in notices to bidders, the engineers said the project will include topsoiling of 740 cubic yards at the site, and seeding of 7,750 square yards.

Purpose of the large amount of excavation was not explained in advance notices to bidders, although it could mean the engineers plan to slope the shoreline and plant grass.

THE SITE can be reached from Route 66 below Newell by means of a government access road.

Bids will be solicited on the work as a whole and award will be made under a single contract, the engineers said.

Dam 8 was abandoned after 47 years' service, and the engineers also demolished Dam 7 at Midland and Dam 9 in New Cumberland.

The buildings at Dam 9 in New Cumberland have been converted into offices which house the Department of Public Welfare and other county-operated services.

24 Million Bushels Vanished

Senate Republicans Seek Probe Of Missing Grain

WASHINGTON (AP) — Senate Republicans are pressing for a congressional investigation into reports that 24 million bushels of U.S. grain vanished somewhere on the way to Austria.

The \$32 million worth of corn, barley and sorghum "could have gone behind the Iron Curtain" in violation of U.S. barter agreements, said Sen. John J. Williams, R-DeI., Tuesday in demanding a Senate investigation.

Or, he said, the grain "may have been diverted and sold in Western Germany for dollars," which would also be a violation. Barter deals are restricted to non-Communist countries that would not otherwise pay dollars for U.S. farm products.

Lester P. Condon, Agriculture Department inspector general, said evidence uncovered so far does not indicate the grain went behind the Iron Curtain but that some of it might have wound up in West Germany where it could hurt cash markets for U.S. grain.

Condon said the United States suffered no loss on the shipments intended for Austria because it received the agreed upon minerals in the barter exchange.

Williams said seven importers have been arrested in Austria and that he does not see how the grain could have disappeared without some collusion with someone in this country, although no Americans have been implicated. Williams said the Justice Department should join the investigation.

"This is really big stuff," said Senate Republican Leader Everett M. Dirksen of Illinois in backing Williams' request to create a special Senate committee and give

it \$100,000 to look into the case. Dirksen said the grain was loaded on ships in this country but apparently never got to Austria.

Sen. Jack Miller, R-Iowa, said "the silence has been deafening" since he asked Secretary of Agriculture Orville L. Freeman last month about the disappearance and what was being done to prevent such cases from recurring.

Miss U.S.A. Of 1963

To Be Picked Tonight

MIAMI BEACH, Fla. (AP) — Miss U.S.A. 1963 will be chosen tonight from 15 beautiful young women selected from a field so outstanding the judges required extra time to handle their ballooning.

The 15 will go on stage at Miami Beach Convention Hall at 8 p.m. while 48 foreign contestants relax on the sidelines waiting for Thursday's opening of Miss Universe judging.

The crowning of Miss Universe Saturday night will cap two weeks of festivities highlighting this resort area's summer season.

Chinese And Soviets

Resume Negotiations

MOSCOW (AP) — Chinese and Soviet negotiators resumed their talks today amid reports that they were preparing a communique to soften the thunder of their split.

The talks resumed after a day's recess during which a rumor circulated that Premier Khrushchev was deliberately prolonging the talks so he could point to his differences with Communist China as an argument for Western delegations at the test ban negotiations not to press him too hard.

Panel Draws First Draft In Rail Dispute

New Signs Indicate Congress Holds Key To Head Off Strike

WASHINGTON (AP) — Amid new signals indicating that only Congress will be able to avert a nationwide rail strike, a special presidential panel today grinds out the preliminary draft of its report on the railroad-union showdown over jobs.

The draft will be shown to carriers and union representatives for any additional comments or criticisms before it is put in final form and sent to the White House Friday.

The report, a collection of facts and issues in the four-year dispute, will serve as the basis for the legislation President Kennedy will recommend to Congress on Monday to block the threatened strike.

Tuesday, the chief executives of the members of the Association of American Railroads issued a statement asserting that the unions' position in the jobs dispute leaves legislation as the only means of heading off a "calamitous nationwide rail strike."

The statement asserted that management has made "every effort to get the unions' leaders to engage in realistic negotiations" but they "refused to come to grips with make-work practices across the bargaining table."

Asked for comment, Secretary of Labor W. Willard Wirtz said he thinks both sides should still be bargaining. Previously he blamed both the carriers and the five operating unions for failing to reach an agreement.

The five unions representing the men who man the trains had no comment on the carriers' charges. But Louis J. Wagner, president of the independent Conductors Union, and Charles Luna, president of the AFL-CIO Brotherhood of Railroad Trainmen, said the railroads' statement violated a pledge made by both sides not to comment while the presidential panel was making its report.

Congress will have until July 29 to produce legislation to avert a strike.

Rail Tieup Would Hit

Steel And Auto Plants

NEW YORK (AP)—A railroad strike would mean some steel mills and auto plants would close almost immediately, says Iron Age.

The trade publication said steel mills are pretty well supplied with raw materials, but they need trains to deliver finished products. Many would close rather than clog their warehouses, the magazine said.

Some auto assembly plants unable to switch to trucks or barges for supplies might have to shut down within hours after a strike, the magazine said.

Crucible Steel Shows

Increase In Earnings

Crucible Steel Co. of America today reported increases in net earnings for the quarter and six-month period ended June 30.

Net income for the quarter was \$3,924,000, against \$1,908,000 at the same time in 1962. Income for the six-month period was \$6,116,000, compared with \$4,365,000 at the same time last year.

Sales in the first half were \$141,288,000, compared with \$130,548,000 at the same time last year. Sales in the first quarter hit \$74,963,000, against \$62,588,000 for the same time last year.

Prospects Still Bright On Test Ban

Secrecy Continues To Surround Talks Of Three Powers

MOSCOW (AP)—All indications still pointed today to the possibility that the United States, Britain and the Soviet Union will agree on a partial nuclear test ban in their Moscow talks.

Secrecy still surrounded the daily meetings of U.S. Undersecretary of State W. Averell Harriman and Lord Hailsham of Britain with top Soviet officials. When sharp disagreement develops, secrecy usually breaks down.

A three-power announcement Tuesday night said the second conference session was conducted "in a friendly atmosphere." Once again all three delegations appeared in good humor as they left the conference.

Soviet Premier Khrushchev, who opened the conference Monday, was understood to be keeping in close touch with the talks and was expected to take a personal role again soon. Western diplomats considered Khrushchev's interest to be evidence of Soviet readiness to agree on a test ban. It was understood that Khrushchev, in outlining the Soviet position Monday did not raise any conditions unacceptable to the United States and Britain.

In the past, the Russians have specified conditions which could present serious difficulties for the Western powers. These include an unpooled moratorium on underground tests and a nonaggression pact between the North Atlantic alliance and the East European nations of the Warsaw Pact. Neither is acceptable to the West.

The negotiations now are believed to be concentrated on working out an accord prohibiting nuclear test explosions in the atmosphere, in outer space and under water.

Midland Due \$141,000 Aid For Project

The Urban Renewal Administration announced in Washington Tuesday the Borough of Midland will receive a grant of \$141,000 under the Federal Accelerated Public Works Program to help finance a water treatment plant expansion project.

Rudolph Presutti, borough tax collector, said the total cost of the expansion program will amount to \$282,000. The borough's share probably will come from a short-term loan or bond issue, he said.

The application for the federal grant was made by Midland Municipal Authority, headed by Dr. Zanzvil Sigal, in co-operation with borough officials.

Sigal, Presutti, Solicitor Robert Masters and Granvil Kester, authority member, made several trips to Washington in attempts to secure the grant.

Presutti said the water facility expansion is designed to meet increased water needs of the Midland Plant of Crucible Steel Co. and needed additional supplies to surrounding areas. The present plant capacity is three million gallons a day and the plant has been operating at full capacity in the summer months.

The expansion would raise the capacity to more than four million gallons a day, enabling the plant to supply the additional water needed by Crucible and also to supply water for Ohioville and Industry Boroughs, which are negotiating with Midland for a water supply.

Presutti said specifications were submitted to the federal government when the grant application was made. Borough officials will ask for bids within 30 to 60 days, he said.

Congressional Struggle

Battle Over Civil Rights Blazes On Many Fronts

PROTESTS BY WHITES. Negroes suspended demonstrations for 24 hours in Cambridge, Md., but whites mounted a mass protest in the city's explosive racial situation Tuesday. Here a group of whites gather on the courthouse lawn to protest the restrictions imposed by the National Guard. (UPI Telephoto)

White, Negro Group Seeks Racial Peace

Demonstrations To Resume In Event Of No Agreement

CAMBRIDGE, Md. (AP) — A committee of whites and Negroes sought today to progress toward a solution of this city's racial problems before a new crisis develops.

Negro integrationist leaders served notice that unless some success was reported by the committee by mid-afternoon, demonstrations would be resumed.

The Negroes called off a demonstration Tuesday in view of the appointment of a human relations committee composed of seven whites and four Negroes.

After an organization meeting night, the committee issued a statement saying it had decided to concentrate on the issue of public accommodations. Negroes have demanded admittance to restaurants, lodging places and other spots hitherto barred to them.

Then, the committee said, it would turn its attention to school integration and better job and housing opportunities for Negroes. The committee ruled that each member must keep silent.

Stanley Branche, field secretary of the National Association for the Advancement of Colored People, said: "If nothing comes out of the committee by 3 p.m. Wednesday, then we start demonstrations again."

National Guardsmen and state police combed an area of the city Tuesday night after Mrs. George Horner, wife of a National Guard lieutenant colonel, reported that as she was walking in her front yard, she heard a shot and something grazed a finger of her left hand.

The Horners live near the Negro area. Col. J. Maurice Tawes, in command of Guard troops, said a projectile of some kind knocked a chip off a cinder block and that the chip grazed Mrs. Horner.

Drastic militia law rules imposed by the National Guard were relaxed but white businessmen were still dissatisfied.

Appearing before an angry, heckling meeting of 300 businessmen Col. Tawes announced that business establishments could stay open until 9 p.m. instead of 7, and people could travel the streets until 10 p.m. instead of 9.

Other curbs which have bitten into the city's economy remained in effect. These included a ban on sale of alcoholic drink.

The Guard decreed the restrictions after six white persons were wounded in a night of terror last week.

In Wellsville Council

Meter Attendant Proposal Stalled

Legislation that would authorize appointment of two parking meter attendants was tabled again at Wellsville City Council's meeting Tuesday night.

The action came after a 40-minute lull in the session in which Council waited for Solicitor William Bush in order to confer with him on some legal points.

Councilmen William Stroble, Donald Miller and Frank DeLoonzo were absent. The others quickly moved through the business at hand.

When Mrs. Margaret Baldwin, clerk, asked if Council was to consider the meter attendant legislation, a brief discussion followed on the legal points related to action pending in Common Pleas Court at Lisbon on the appointment of a patrolman to the police force.

THE PROPOSAL to hire meter attendants and relieve the police department of the duty was presented by Mayor William Daugherty at the last meeting. The legislation was tabled at that time.

The mayor, in his proposal, said in effect that if the meter attendants were hired and the work taken away from the police, there would be no need of appointing an officer to fill a vacancy on the force. Joseph Heiney resigned as an officer, effective June 16.

Heiney and others have protested the mayor's plan. The legislation calls for the meter attendants to be named on a trial basis of 90 days at a salary of \$165 a month.

Heiney filed a petition Friday in Common Pleas Court at Lisbon seeking a writ of mandamus that would compel the city administration to fill the police vacancy. A hearing is slated Aug. 13.

COUNCILMAN Robert Taggart raised the question of the court battle and its possible effect to the legislation.

"As there are only four of us present and a court action already has been filed, it might be wise to postpone any action until the court's decision is known," he said.

Mrs. Mary Rahter, Council president, said there is no legal issue between the two.

Taggart then said he does not believe there is enough money to hire attendants and appoint another patrolman also.

"If the mayor has to make the appointment, I don't see how we can hire attendants," he said.

Restrictions Clamped On Servicemen

Integration Of Sports Stadiums Placed Upon Scene

WASHINGTON (AP)—The congressional battle over civil rights blazed across many fronts today, from integration in sports stadiums to a proposed investigation of the leaders of racial demonstrations.

Meanwhile, the Pentagon, faced with protests it was encouraging military personnel to take part in demonstrations, issued new orders Tuesday night restricting such activities.

In a memorandum to all the armed services, Secretary of Defense Robert S. McNamara declared:

"It is high inappropriate and unnecessary for military personnel, with their special obligations of citizenship, to participate in such activities."

McNamara did not specifically forbid members of the armed forces from demonstration in civilian clothes while off duty. But he did say none may demonstrate when the activities constitute a breach of law and order, or when violence is reasonably likely to result.

As expected, most of the steam in the row over President Kennedy's civil rights proposals was coming from the Senate where the Judiciary and the Commerce committees are holding hearings.

Today the Commerce Committee asked Baseball Commissioner Ford C. Frick and the heads of the National and the American Football leagues, Pete Rozelle and Joe Foss, for their views on legislation to bar segregation in places of public accommodation.

The bill, a key section of the civil rights program, would apply to sports arenas as well as stores, restaurants, hotels and the like.

Govs. Ross R. Barnett of Mississippi, George C. Wallace of Alabama and Atty. Gen. Bruce Bennett of Arkansas, all vehement opponents of the bill, urged the committee to investigate what they pictured as Communist influences bent on a divide and conquer strategy.

They singled out Dr. Martin Luther King Jr., president of the Southern Christian Leadership Conference, and said the committee should check on his associates. They did not, however, say they suspected King of being a Communist.

4 Young Ohio Girls Perish In Home Fire

RUTLAND, Ohio (AP) — Four young girls were burned to death in a fire which leveled their home here today. The girls' parents and two brothers escaped.

The victims were the daughters of Mr. and Mrs. Andrew Large. They were identified as Loretta, 10; Violet, 8; Barbara, 6, and Virginia, 4.

Investigators said two of the girls were found still lying in bed in their second floor bedroom. All four girls and one of the sons slept on the second floor. The parents, Andrew, 48, and Rosella, 43, and the other son slept on the first floor. The sons are James, 12, and Clinton, 11.

Officials said the survivors were under a doctor's care at a hospital and were not able to give details of the fire or how they escaped.

Officials said there was no phone in the home and they had to call fire officials over a neighbor's phone.

Mr. and Mrs. Walter Burlingame, 522 1/2 1st Ave., a son, July 17, at City Hospital.

Mr. and Mrs. Stephen Kuzio, 907 3rd Ave., New Cumberland, a son, July 17, at Weirton General Hospital.

With The Patients

Mrs. Vera Kirkbride of Glenmoor is recovering after surgery Saturday in City Hospital.

Admitted to Salem City Hospital were Mrs. William Crawford of Rogers, Mrs. Mary Slazak of West Point, Mrs. John Goodin of Kensington and William Whitehead and Mrs. Paul Hammett of Lisbon. Discharged were William Shafer and William Guy of East Palestine, Raymond Mahoney of East Liverpool, John Dangelio of Salineville and Mrs. Amelia Ray and Mrs. Thomas Critchfield and daughter of Lisbon.

Antonio Cialone of Lisbon has been admitted to Alliance City Hospital.

Mrs. LaRue Mooney, 1515 Russell Ln., is recuperating at City Hospital from recent surgery.

Eric Smith, 1056 Ephraim St., is a patient at Weirton General Hospital.

Grange Meeting Set

CLARKSON — The Clarkson Grange will meet Thursday night at 8:30 at the Grange Hall with Reuben Linger, master, in charge. Refreshments will be served by Mrs. Ettelena Melington and Mrs. Mary Virden.

County Eyes Federal Help For Drought

LISBON — Plans to file for aid in event Columbiana County is designated a drought disaster area were made at a meeting of the county Agriculture Stabilization and Conservation Committee's disaster group Tuesday night at the Farmers Bank Building.

Officials declared unless the area does not receive normal rainfall in the next few weeks, the drought condition will be serious enough to warrant drastic action.

Clifford Shaw of Lisbon, chairman, and others said formal application as a disaster area has to be filed in advance in order to properly undertake the many legal steps needed for approval, including Gov. James Rhodes' signature and federal authority.

The group included Don Myers, county extension agent; Robert McCleaster of Carrollton, Federal Housing Authority supervisor, and Earl Lora, ASC office manager, who is secretary.

Lora said other counties have applied for aid in event they can be declared a disaster area.

Hays Awaited At Club Event

Confirmation that Rep. Wayne L. Hays, 18th Ohio District congressman, will attend the annual picnic Sunday afternoon at Valley Park was received by the East Liverpool Men's Democratic Club Tuesday night at a meeting in the Council chamber at City Hall.

Don R. Gosney of Columbiana, county party chairman, informed the club that Rep. Hays will be present. State Sen. Edmund Sargus of St. Clairsville also will be a guest. He represents the 20th-22nd District, including Columbiana County.

The picnic will get under way about noon. Norman Bucher said the picnic committee will meet Friday night at 7:30 to arrange the complete schedule of events.

Rudy Halpate said two exhibition softball games will be presented. The first will be at 2 between the Owls and American Vitified Products Co. teams. The second at 4 will match New Cumberland against the East End Merchants.

Games and races will be held for children of all ages. Prizes will be provided.

Donald Hancock, president, conducted business. Twenty-three attended.

Candidates present were Frank Duffy for mayor; Lawrence Applegate, incumbent auditor; Leo Payne, treasurer; Bucher, James Flasco and Hancock, Council-at-large; Floyd Murray, incumbent First Ward; Don Smith, Third Ward, and William Davis, Fourth Ward.

The next regular meeting will be Aug. 13.

2 Members Inducted By Legion In East End

Aaron Hall and James Morgan were obligated as members by John Ruhe, past commander, at the meeting of American Legion Post 374 Monday night at the post home.

It was announced the post will participate in dedication of the new Post Office branch in East End Sunday. Any member wishing to participate should report to the post at 1 p. m.

Members were reminded of the American Legion family picnic at Valley Park Aug. 11. Another dance is scheduled Saturday evening at the post home. Bob Landfried, commander, presided.

Next meeting will be Monday at the home.

Some cooks like to add a tablespoon of butter or margarine to a cup of rice that's being steamed.

80 Units Expected In Parade Of Highlandtown's Firemen

More than 80 units are expected for the parade highlighting the Highlandtown volunteer firemen's annual fair, which opens next Wednesday and ends Saturday, July 27.

Glenn Jarvis is general chairman and Donald Boyd is parade chairman.

Approximately \$200 in cash prizes and trophies will be awarded the winners.

The parade is slated for Friday, July 26, at 8 p. m. A king and queen also will be crowned Friday night.

Units expected include a covered wagon from Knoxville drawn by oxen, old cars, a 1921 calliope, steam engines, horses and buggies, comic units, floats, majorette groups and a life and drum unit.

The drill team from the American Legion Post at Toronto, state

champions last year, also will participate.

The parade will form on Route 39 at the Highlandtown Elementary School. It will proceed east and turn at the crossroads to the carnival grounds at the fire station.

Boyd said more musical units and marching groups are needed. Anyone interested in participating may contact him at LE 2-2327.

Special events are planned nightly. A pony pull will be held Wednesday night at 7. A talent show and the crowning of a "Queen for a Day" will be Thursday night at 8.

A tractor pulling contest will be held Saturday morning at 10, followed by a horse pull at 1 p. m. The program will end with round and square dancing at 9 p. m.

The Gamble Amusement Co. will provide the rides.

Pair Bound Over In Check Charge

Ralph Wright of Wellsville and Joseph Call, 33, of Hammondsville were bound over to the Columbiana County Grand Jury Tuesday by County Judge Herbert Arfman at East Palestine on fraudulent check charges.

Wright posted \$1,000 bond and was released, while Call was unable to meet the bond requirement and was returned to the County Jail at Lisbon.

Wright pleaded not guilty to the charge of forgery, while Call pleaded guilty to a charge of uttering a forged check.

Call, on parole from the Ohio State Penitentiary, was arrested at the First National Bank at East Palestine Saturday after he tried to cash a check.

Police Seek To Trace Auto Abandoned Here

Police today were checking the ownership of an abandoned car found Tuesday afternoon near the municipal swimming pool in Thompson Park.

Patrolman C. A. Winters said the 1960 or 1961 Dodge Seneca four-door sedan had no license plates. However, it had a sticker with the name of Foss Motors, Inc., of Etina.

The car had been parked on the lower road to the pool since 8 a. m. Tuesday.

Reds Wound 14 Yanks In Viet Attack

SAIGON, Viet Nam (AP)—Communist guerrillas raked the airport of South Viet Nam's second largest city with mortars and machine guns Tuesday night, wounding 14 U.S. Army Special Forces troops.

The attack on the Can Tho Airport, 80 miles southwest of Saigon, lasted only eight minutes, but between 16 and 20 mortar shells hit the installation and one of the 60 mm shells went through the roof of a shack housing the Special Forces team, inflicting all the casualties.

Ten of the wounded Americans were taken to the 8th U.S. Army field hospital in Nhatrang. Three were in serious condition. Three Vietnamese also were wounded.

Damage to the airport was comparatively light. A light plane and an automobile were damaged, and there were bullet holes in several buildings.

Vietnamese troops were sent in pursuit of the guerrillas today.

It was the heaviest casualty toll of American servicemen in a single encounter with the Viet Cong.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor breath". Get FASTEETH at drug counters everywhere.

P. T. Barnum And Diplomacy

P. T. Barnum's "sucker-every-minute" credo was applied to show business, not diplomacy. But a sucker is a sucker is a sucker...

Negotiations for a nuclear test ban, it is said, are going well in Moscow. It is only the beginning of the conference, yet things are reported to be going well.

The justification for such a report is that Premier Khrushchev has been in a good humor. The usually dour Andrei Gromyko, Soviet foreign minister, has been making little jokes.

This is all it takes to jolly up the visitors to the Kremlin. It's like the newsmen reporting the goings and comings in the Kremlin during the long reign of Josef Stalin. They were so starved for things to report about this enigmatic man that if he belched it was news all over the world. Laughter has been heard in the Kremlin. That's news!

that the United States is practicing imperialism.

It would withdraw from circulation the millions of pamphlets with which it has tried to subvert ignorant people in backward countries.

After it had done these things for five years, it would have an excuse to talk hopefully about friendship.

UNTIL THESE things and more have happened, only one supposition about the Soviet Union makes sense.

It is building up Anglo-American hopes for a smashing letdown—a technique it has mastered to perfection, thanks to P. T. Barnum's credo that another sucker is born every minute and more than a fair share get into diplomacy.

A Look Ahead

There's plenty of food for thought in the report submitted to the Board of Education by two officials of the Ohio Department of Education.

It is extensive, with a new high school and a thorough overhauling of the elementary system among the recommendations.

Naturally, it is a costly program, with \$2,780,208 the estimated figure for the proposed high school alone. Modern educational facilities come high, as do most other things which are vital to a progressive community.

East Liverpool residents probably are tired of seeing dollar signs before their eyes as this program and that program keeps cutting into their pay envelopes. It is an unfortunate state of affairs, but it is one we must face if we hope to keep abreast of things. Adequate educational facilities are one phase of a broad development program which must be undertaken here as rapidly as possible to get things moving again in the proper direction.

The Board of Education should not let the state officials' report gather dust. The recommendations call for careful study, with the hope that a sound plan for the people's consideration emerges as a result.

Subject To Government Control

The delicate question of licensing and of free public debate are involved in a growing controversy in Congress on the broadcasting of editorials by television and radio stations.

Until 1949 the Federal Communications Commission opposed expression of opinion on the air by its licensees. After the FCC reversed itself, many broadcasters regarded themselves essentially as showmen, with entertainment their sole or primary mission.

But with FCC encouragement, broadcast editorializing has flourished of late, particularly in radio. It has become important enough to bring on a five-day investigation by a communications subcommittee of the House Interstate and Foreign Commerce Committee.

Criticism of editorializing spilled over last month in House debate on suspension of the "equal time" rule of the federal communications law in time for the 1964 campaign.

Although the suspension carried by a 263-162 vote and is expected to pass the Senate, critics left no doubt they have no idea of giving electronic commentators a free rein.

THIS SPELLED out the issue between those who believe in free speech and government officials who never will let would-

be free speakers forget that radio and television stations are licensed by government and therefore subject to government control.

The National Association of Broadcasters through its editorializing committee has announced it is "unalterably opposed" to government attempts to limit freedom of expression on the air.

It is significant that the new questions about broadcast editorializing arose in the House of Representatives, whose members must stand for re-election every two years. Understandably they are worried about attacks over the air.

JUST AS understandably, responsible broadcasters resent the threat of censorship.

Rep. Walter Rogers, D-Texas, in announcing Communications and Power subcommittee hearings, said:

"An editorial supporting the Community Chest is one thing. An editorial supporting or opposing a political candidate is quite another. In still another category are those editorials expressing positions on hotly contested political issues. These hearings may show that in establishing safeguards against abuses it would be necessary to differentiate among the types of editorials."

Scorched Eyeballs

Due to scare stories about scorching my eyeballs if I look at the solar eclipse July 20, I have been touted off the whole thing.

This will not be the first eclipse I have missed. I have no clear recollection of having seen any.

One of two things happened. I could not find my piece of smoked glass when it was time to look, or it was cloudy. Now I find out that a piece of smoked glass would have been enough to keep my eyeballs from getting scorched anyway.

While others are peering at the phenomenon and scientists are taking pictures of it, I shall devote the few seconds of distraction from what ever chores I'm doing at the time to pondering my theory of spatial "organization."

The sun, as we all know, is relatively inconsequential as suns go in the universe and why earth and the sun's other planets spin around it is unknown, except for one thing.

Nothing prevents it.

This is my theory of spatial organization, which hinges on my belief in the efficacy of random arrangement. This is not a theory but a fact. Random arrangement is illustrated by the tumbling of the pieces of colored glass in a kaleidoscope.

Nothing man could devise would be as startling as what happens when chance is given a hand, particularly if the result is viewed at a given instant in infinity. The viewer sizes it up and thinks of it as a permanent arrangement resulting from thought and effort.

In truth it is a temporary arrangement resulting from happenstance. But there being no way to produce change, it is assumed that the whole thing was planned that way. It is accepted as eternal. Bosh.

This is as preposterous as for ants on a piece of driftwood in the Mississippi to say, "Here we are on an endless trip down the Father of Waters. It took years of planning."

One of these aunts there will be a crunch as the circumstances affecting earth are rearranged. We have evidence of these crunches in the past. My house was on a sea-shore at least three times in the past, ac-

cording to geological evidence of shellfish in the underlying rocks. Where all of us are now formerly was covered with ice. Crunches can be expected from aeon to aeon.

They have no more consequence than the wink of a gnat's eye in the compulsion of man to cover the earth with half-starving, confused human beings. They happen.

We're along for the ride, wherever it takes us, like all gnats in a universe so vast no gnat can comprehend its vastness, let alone my theory of spatial organization and my belief in random arrangement.

Look

Take a bushel of spinning tops that never run down and set them all to spinning on a table top. After while, each is spinning in its own orbit, see, except once in a while one will fall off. It looks as if it had been planned, but it's random arrangement. Understand?

As to what's riding on the tops, who cares? Remember not to look at the eclipse directly. It might scorch your eyeballs. People have been looking at eclipses for aeons and heaven only knows how many eyeballs were scorched.

Odd Facts

The discovery of radium by Madame Curie was through a photograph. She stumbled upon her first clue to its existence while developing a photographic plate on Feb. 18, 1896.

The "Ten Greatest Thinkers" in history, according to one source, have been Confucius, Plato, Aristotle, Thomas Aquinas, Copernicus, Bacon, Newton, Voltaire, Kant and Darwin.

The first air raids in wartime history were made on Jan. 19, 1915, during World War I, when German zeppelins began dropping bombs on English communities.

If a mole is placed on ground that is not packed too hard, it can bury itself completely in less than 10 seconds.

Just A Prayer At Twilight

Legal Assistance For Poor Urged

Robert Kennedy is active on as many fronts as there are social issues and conflicts. Victor Riesel asked the attorney general to discuss one of the laws which he has proposed, but which has not been in the news as heavily as the other drives in which he is engaged.

By Robert F. Kennedy
Attorney General of the United States

The scales of justice in this country are weighted against the poor.

Each year, 10,000 persons—nearly 30 per cent of all the defendants in federal criminal cases—must receive the services of court-appointed attorneys because they cannot afford to pay their own.

In many cases, these appointed attorneys carry out their duties with diligence and responsibility. But the fact remains that they must do so for free. We have proceeded on the assumption that society's obligation to the accused can be redeemed simply by telling private lawyers:

"Defend this man. Give him your time and your advice. Protect his rights. And then pay for it out of your own pocket."

THESE LAWYERS are not reimbursed even for their out-of-pocket costs. They will not receive a shred of assistance from investigators or expert witnesses. They often will not be appointed until long after arrest, when witnesses may have disappeared and leads grown stale.

How wrong this system is was made clear in a recent study we had conducted for the Department of Justice. The study found that often, poor defendants plead guilty because their appointed attorneys realize the futility of trying to contest a case without adequate resources.

Defendants in this position enter guilty pleas much more often—in some areas three times as often—than defendants with the money to hire their own attorneys.

And such defendants, the study showed, have less chance to get charges against them dismissed, less chance of acquittal if they go to trial and less chance for probation instead of jail if they are convicted.

A system which permits—indeed encourages—such a difference is unfair to defendants. It is a

burden on private attorneys. It denies equal justice. It demands correction.

THAT IS WHY this administration has sponsored and strongly urges the enactment of the Criminal Justice Act of 1963. We believe it is the most comprehensive yet flexible solution ever devised to the problem.

The Criminal Justice Act would require, for the first time, that a system of adequate representation must be established in every federal district. Each district has freedom to devise a plan best suited to its local needs.

The choice of a plan is wide, but a choice must be made. There is no option to do nothing, to permit inadequate representation to continue in any federal court.

There are four choices: To continue to appoint private attorneys, but to pay them \$15 an hour for their services; to establish a paid public defender's office; to use legal aid or private defender organizations, also paid at the \$15 rate, or a combination of these plans.

THE \$15 FIGURES is substantially less than the minimum recommended by bar associations for charges to private clients. We believe, however, that it is fair. The further fairness of reimbursing appointed attorneys for out-of-pocket expenses is plain.

Providing for paid attorneys is fundamental. But an adequate defense requires more than representation in court. Equally important are defense services.

For example, the poor man cannot hire an investigator to find the witnesses and evidence which may be indispensable to his case. He cannot retain a physician, psychiatrist or handwriting expert. The importance of skilled investigation is underscored in police work every day. It works the same way for the defense.

Not long ago, in the District of Columbia, an appointed defense attorney—through the investigative facilities of the Legal Aid Agency—was able to expose facts damaging to the government's principal witnesses. These were facts the government previously did not know, and the case, as a result, was dismissed.

CONGRESS now has the opportunity—and, indeed, the responsibility—to enact a comprehensive solution to the federal problem. In the process, it can provide a model for the states to follow.

I believe the Department of Justice shares responsibility for the administration of justice in our courts. This responsibility is not to see that the prosecutor prevails, but that justice does.

This is not a welfare problem, nor a matter for charity. Insuring a poor man of a proper defense will not give him anything to relieve him of his poverty. It will simply recognize his right to equal justice.

In the words of the epigram on a wall of my office: "The United States wins its point whenever justice is done its citizens in its courts."

Down Through The Years

From The Review Files

THIRTY YEARS AGO — Damage estimated at \$500 was caused when lightning struck the J. S. Cook Grocery Store in Sherwood and the J. F. Butler residence in Pleasant Heights.

The Rev. M. Rudolph Miller, pastor of the Newell Presbyterian Church, and his wife and three members of the Young People's Society attended the annual conference of ministers at Chicago.

Past councilor pins were presented to Mrs. Minniebelle Farish and Mrs. Mary Rodgers by Pride of Valley Council 4, Daughters of America.

TEN YEARS AGO — Mr. and Mrs. Ray Bloor of St. Clair Ave. concluded a two-week vacation in Florida.

James Ralston, who had been with the local postoffice since 1949, was appointed a clerk.

age estimated at \$1,500 to the garage and two adjoining homes.

Twenty years ago — Rev. Arthur E. French Jr. of the First Presbyterian Church, the Rev. C. T. Weimer of the Chester Presbyterian Church and the Rev. Jess Houk of the Yellow Creek Presbyterian Church attended the annual conference of ministers at Chicago.

The boy provided a painful, living illustration of a problem now alarming youth workers and employment officials across the country. The baby boom which followed World War II has exploded in the job markets with a bang.

IT COULD set off a chain reaction this summer.

One of the earliest stern warnings this year came from President Kennedy himself. In a message to Congress in February, he said:

"A common subject of discussion in mid-century America is assigning the blame for our mounting juvenile delinquency to parents, schools, courts, communities and others . . . but surely the place to begin is the malady which underlies so much of youthful frustration, rebellion and idleness. And that malady is lack of opportunity . . ."

When the President spoke, the national unemployment rate for teen-agers was 2½ times the overall unemployment rate. Three months later, teen-age unemployment hit a record high — 18 per cent. It was more than three times the national rate of 5.9 per cent.

It was then, in May, that New York City youth board workers, ministers and other civic leaders began worrying about the summer months ahead. The outlook was gloomy — probably 100,000 youths between the ages of 16 and 19 both high school graduates and dropouts, would be looking for jobs. And they would have trouble finding them.

The youth unemployment rate of 18 per cent, said Secretary of

Views On Civil Rights

By James Marlow

Negro, Segregationist Governors Are Heard

WASHINGTON

In some memorable words a Negro and two segregationist governors got their views before Congress these past few days on just and unjust laws and the rights of whites and Negroes.

The Negro was the Rev. Martin Luther King Jr., president of the Southern Christian Leadership Conference and leader of demonstrations against racial discrimination.

From jail last April in Birmingham, after being arrested for leading a parade without a permit, he wrote a letter to eight white, troubled clergymen. Several House members had it printed Monday in the Congressional Record.

The governors—Ross R. Barnett of Mississippi and George C. Wallace of Alabama—both tried this past year to defy a federal court order to admit Negroes to their state universities. They yielded only when President Kennedy used troops.

These two men testified before the Senate Commerce Committee, which is considering that part of Kennedy's civil rights bill—the public accommodations part—which would forbid business places dealing with the public to discriminate against Negroes.

In the governors' testimony—attacking the Kennedy administration and suggesting Communists were behind the Negroes' protests against mistreatment—the simple question behind it all got side-tracked.

Since the Constitution guarantees all citizens equal treatment, and the Negro is a citizen, why isn't he and why shouldn't he be given the same treatment as whites?

Barnett said the President and his brother, Atty. Gen. Robert F. Kennedy, are encouraging demonstrations inspired by Communists and the attorney general has been personally responsible for "putting mobs in the streets."

He implied there would be general defiance of the accommodations bill, if it became law; he said it would mean the end of constitutional government; and he predicted "racial violence of unimaginable scope."

He asked: "How far do you think the great white majority of this nation will stand to be pushed?" (King in his letter said the reason Negroes are asserting themselves now is because they have been pushed too far too long.)

Wallace took the same line as Barnett. He said the Kennedy

brothers are sponsoring "a revolution of government against the people." Any branch of government, in his view, which wants equal treatment for Negroes appears wrong.

He said Kennedy's executive branch, whose actions he denounced, has ignored the Constitution while the Supreme Court, which has consistently upheld Negroes' rights, has "perverted the Constitution."

Wallace, like Barnett, predicted violent defiance of the Kennedy bill if it became law. He said the government would need so many troops "to police America" it would have to bring all those overseas home.

Although Wallace said he has "full respect for constitutional government," he said he wouldn't do anything to help enforce a public accommodations law and would "let the federal folk try to enforce it."

Before he finished, Wallace took a crack at King, referring to "Martin Luther King and his Communist friends."

Thus, while the two governors sworn to uphold the law were predicting defiance of law, they were condemning Negro demonstrators jailed for violating city laws against disturbing the peace or parading without a permit.

King, in his letter to eight Christian and Jewish clergymen, said, "You express a great deal of anxiety over our willingness to break laws."

"There comes a time when the cup of endurance runs over and men are no longer willing to be plunged into an abyss of injustice where they experience the bleakness of corroding despair. I hope, sirs, you can understand our legitimate and unavoidable impatience."

"Since we so diligently urge people to obey the Supreme Court's decision of 1954 outlawing segregation in the public schools (the ruling Barnett and Wallace both defied), it is rather strange and paradoxical to find us consciously breaking laws."

King explained the Negroes' attitude toward laws:

"Let us turn to a concrete example of just and unjust laws. An unjust law is a code that a majority inflicts on a minority and that is not binding on itself. This is difference made legal."

"On the other hand, a just law is a code that a majority compels a minority to follow and that is willing to follow itself. This is sameness made legal."

Jobs Needed For Youths

By Barrett McGurn

NEW YORK — The young fellow was 17.

He had been away at one of New York City's juvenile correctional institutions, a rather gentle place — no bars, no guards, all "open facilities," all the emphasis on "counseling." He had reacted well. He was anxious to put his "emotional" childhood behind him, to forget unhappy family memories, to get a job . . .

But that is just the problem.

"I came back from the 'camp' and I really wanted to work," the boy told Milton Luger, director of New York State's Youth Division rehabilitation programs. "I wanted anything honest, anything, say, for \$45 or \$50 a week. But there's nothing available. They take somebody older. It makes me feel 'what's the use?'"

The boy provided a painful, living illustration of a problem now alarming youth workers and employment officials across the country. The baby boom which followed World War II has exploded in the job markets with a bang.

IT COULD set off a chain reaction this summer.

One of the earliest stern warnings this year came from President Kennedy himself. In a message to Congress in February, he said:

"A common subject of discussion in mid-century America is assigning the blame for our mounting juvenile delinquency to parents, schools, courts, communities and others . . . but surely the place to begin is the malady which underlies so much of youthful frustration, rebellion and idleness. And that malady is lack of opportunity . . ."

When the President spoke, the national unemployment rate for teen-agers was 2½ times the overall unemployment rate. Three months later, teen-age unemployment hit a record high — 18 per cent. It was more than three times the national rate of 5.9 per cent.

It was then, in May, that New York City youth board workers, ministers and other civic leaders began worrying about the summer months ahead. The outlook was gloomy — probably 100,000 youths between the ages of 16 and 19 both high school graduates and dropouts, would be looking for jobs. And they would have trouble finding them.

The youth unemployment rate of 18 per cent, said Secretary of

Labor W. Willard Wirtz, reflected "a situation which could develop into one of the most explosive problems in the nation's history."

BY LAST MONTH, according to Department of Labor figures national teen-age unemployment had dropped to a rate of 16 per cent. This month in New York City, from 70,000 to 77,000 youths are out of work. And the summer is just beginning.

The National Committee on Employment of Youth made a pessimistic forecast recently: "This will be the roughest summer of all." And no one thinks it will be the last rough summer.

Herbert Biensstock, regional director for the Bureau of Labor Statistics, offered to tell the story in numbers. "A million more kids were born in 1947 than in 1946. It's 16 years later now, so we have a million more kids reaching 16 this year. And 16 is the age for most dropouts in high school and dropouts are the hardest to place in jobs. There is no question but that this year is the worst and that it's going to continue to get worse until the end of the decade. Then there will be a little relief."

The slight relief at the end of the 1960s will come from the fact that there was a dearth of babies in the depression '30s. People did not marry and the married avoided childbearing. That will mean that the prime age group, those between 35 and 45, will be fewer than usual and some of the young will be able to move ahead in jobs a shade more rapidly than normal.

But there is no comfort in that now for the college or high school student or graduate who is hunting now for summer work or for a permanent job.

Deaths and Funerals

Death Claims Woman At 78

Mrs. Flora Ann Miller, 927 St. George St., widow of Enoch C. Miller, died Tuesday at 10 p. m. at City Hospital following a long illness. She was 78.

Mrs. Miller was born in Washington County to the late Charles Ludington and Lena Schemelzenhaugh Ludington. She came to East Liverpool in 1928. She was a member of the Bradshaw Ave. Church of Christ.

She is survived by two sons, Earl D. Miller, with whom she resided, and Elmo D. Miller of Warren; three brothers, Bernard Ludington of Newell, Clyde Ludington of Marietta, and Mearl Ludington of Chester; five sisters, Mrs. Mayme Andrews and Mrs.

Violet Oliver, both of Akron, Mrs. Mabel Hart of Ravenswood, W. Va., Mrs. Pearl Seipel of Cincinnati, and Mrs. Reah Rinard of Rinard Mills, seven grandchildren and seven great - grandchildren. Her husband died in 1960.

Services will be held Friday at 2 p. m. at the Mt. Hope Church of Christ at Archers Fork, Ohio. Burial will be in the church cemetery.

Friends may call at the Dawson Funeral Home Thursday.

Infant Mattern

Graveside services for the infant son of Norman Mattern and Naomi White Mattern of Trentvale St. were to be held this afternoon at 2 at the Spring Grove Cemetery.

The Rev. Irwin Jennings of the Calvary Methodist Church was to officiate.

The infant was born Monday at

City Hospital and died this morning about 7:50.

In addition to his parents, he leaves a brother, Norman P. Mattern, and two sisters, Connie Gay Mattern and Vickie Lynn Mattern, all at home; the maternal grandparents, Mr. and Mrs. Lester White, the maternal great - grandmother, Mrs. Susie Wright, the paternal grandparents, Mr. and Mrs. Howard Mattern, and the paternal great - grandmother, Mrs. Docia Mattern, all of East Liverpool.

The Martin Funeral Home was in charge of arrangements.

Mrs. Margaret Mauk

Services for Mrs. Margaret Faber Mauk, formerly of Newell, who died Tuesday at the Fox Nursing Home, will be Friday at 10:30 a. m. at the Arner Funeral Chapel in Chester by the Rev. Charles W. Haddock, pastor of the Newell Presbyterian Church.

Burial will be in United Cemetery in Pittsburgh.

Friends may call at the funeral home today and Thursday.

Lundy Durr

Lundy Durr of Terra Ceia Island, Fla., father of Mrs. John B. McDonald of Thompson Ave., died Monday at his home following a long illness.

In addition to his daughter, he is survived by his widow, Mrs. Maude P. Durr, at home; another daughter, Mrs. Harry Galvin of Terra Ceia Island, and two grandchildren.

Services will be held Thursday at 4 p. m. at the Toale Funeral Home in Brandenton, Fla.

David Bowman

David J. Bowman, 768 Minerva St., a kiplacer at the Taylor Smith & Taylor Co., died of an apparent heart attack Tuesday at 7:45 p. m. at his home. He was 50.

Mr. Bowman was born in Coshocton, son of Mrs. Grace West Bowman of Coshocton and the late Alva Bowman. He lived here for 18 years. He was a member of the IBOP.

He also leaves his widow, Mrs. Mildred West Bowman, at home; a son, Ronald D. Bowman, a brother, Ernest P. Bowman, and a sister, Mrs. Carol Jean Stone, all of Coshocton; a step-daughter, Mrs. Harold Roof of Coshocton, and a step-son, Russell William Bible of Denver, Colo., and two grandchildren.

Friends may call at the Dawson Funeral Home tonight.

Services will be held Friday at 1:30 p. m. at the Dawson Funeral Home at Coshocton. Burial will be in Coshocton.

Rudy Trbovich

Services for Rudy S. Trbovich, 1048 Pennsylvania Ave., who died Tuesday morning, will be held Friday at 2 p. m. at the St. George Serbian Orthodox Church in Midland.

Fr. Milorad Dobrota, pastor, will officiate.

Burial will be in Beaver Cemetery.

Friends may call after 7 tonight at the Cannon Funeral Home in Midland, where memorial (Pomen) services will be conducted Thursday at 8 p. m.

Chester Plans Suits On Bills

Civil action is planned for collection of \$971 from 39 delinquent water customers, Councilman Wayne Hutton, chairman of the water and sewer committee, reported at a meeting of Council Tuesday night.

Hutton read the names of the customers who owe for two quarters. The bills, which average about \$20, range from \$15 to \$64.

Hutton pointed out the total is well below the \$1,700 owed a year ago. He said five shut-off notices have been mailed, and that seven judgments were returned this week on bills turned over to Squire John Herron of New Cumberland.

No action was taken on a proposed closing of the water works office for one hour for lunch during the 10-day collection periods. The office is closed from noon until 1 p. m. the rest of the time.

Hutton said the closing would permit Jess Selmon, superintendent, and Kenneth Williams, meter reader, more time to work outside if they didn't have to work in the office during the lunch period of the clerk.

Hutton reported a balance of \$3,411 in the water works department as of Monday.

Wellsville

(Continued from Page One)

son Co. foundry will be installed at a cost of \$4,000. He said 1,125 feet of 2-inch medium pressure line will be laid, along with 60 feet of 6-inch casing line beneath the railroad tracks.

THE LINE will run from the foundry on 1st St. to Broadway, then to 2nd St. and onto Commerce. It will travel down Commerce to a regulator station at Cherry Alley.

The work will be done by Wirt & Stern of Wooster, pipe line contractors.

In other business, Council approved a claim of \$10 for a broken tire from Carl Davis, 531 Buckeye Ave., and turned it over to the city's insurance company for collection. Davis said he broke the tire in a ditch on Washington Ave.

Councilman Dwight MacLean, claims chairman, said his committee had investigated and approved the claim.

A letter was read from the Allied Oil Co. showing the city purchases oil for the streets at a reduced price at a savings of about \$300 a year.

THE FIRM also stated that part of the money from the truck license plates purchased in Wellsville is returned to the city, as well as real estate taxes.

Council had asked the firm to aid in repairs to Nevada St. It earlier replied that the money from taxes, etc., and the lower cost of oil constitutes its share in the upkeep of streets.

Mrs. Rahter commented that truck licenses are not sold in Wellsville. She was the registrar last year.

Mayor Daugherty offered the opening prayer.

Church Night Set For Program At 'Christ Crusade'

Church Night will be observed as a highlight of the program of the Tri-State Crusade for Christ tonight at 7:30 at Westgate Auditorium.

Church groups will be seated together. The church with 25 in its group will be given 10 of the crusade's song books and if accompanied by the pastor, an additional five books will be awarded.

The Rev. Thomas Clyde, pastor of the Calcutta United Presbyterian Church, director, will present a picture of Solomon's "Head of Christ" to the largest group present.

The Rev. Ernest G. Malyon, a member of the extension staff of the Moody Bible Institute of Chicago, will speak on "Is the Bible Authoritative for Today?"

About 200 attended the program Tuesday night. The Rev. George Johnston, pastor of the Anderson Methodist Church, gave the opening prayer.

County Park Council Aims Fund Problems

LISBON — Fund - raising problems highlighted the agenda at a meeting of the Columbiana County Forests and Parks Council Monday night at the West Point Fire station.

The council decided to sell associate memberships at \$2. Organizations may buy membership for \$5.

A report was presented that approximately \$4,000 has been received for a proposed restoration of Gaston's Mill in the Beaver Creek State Forest Park. Park improvements by the state are at a virtual standstill for lack of funds, the council said.

Warnings Given On Looking At Sun's Eclipse Saturday

By ALTON BLAKESLEE
AP Science Writer
NEW YORK (AP)—A few careless seconds next Saturday afternoon could damage your eyes permanently.

The carelessness could come in looking at the eclipse of the sun without proper protection.

The National Society for the Prevention of Blindness takes the position that there is no safe way to look directly at the eclipse. It

urges indirect viewing. Other eye specialists say a direct look can be safe, but only if the filter protecting your eyes is dense enough.

All warn against using sunglasses or a piece of smoked glass. Welders' goggles vary so much they also are not endorsed generally.

Some astronomers recommend looking through three thicknesses of black and white film which has been fully exposed to daylight and

then developed to maximum density. The Society for the Prevention of Blindness disagrees, saying everyone may not follow these directions well enough.

The great danger is that the retina, or screen of the eye, will be burned by infra-red or heat rays from the sun. There is no pain, but the burn can scar the retina, and this may create a black spot in central vision at whatever the eye looks at.

There is no remedy.

According to the latest estimate, the average American drinks 3.12 cups of coffee per day.

Swine Producers Set Farm Meeting July 25

LISBON — Swine producers of Columbiana and Mahoning Counties will hold their summer meeting at the Warren Witmer Farm at Columbiana R. D. July 25 at 7 p. m., according to Don Myers, county extension agent in agriculture.

Topics and speakers will include: C. C. Bowen of the animal science department of Ohio State University, discussing "Economics of Feeder Pig Production," and Wilbur Bruner, also of Ohio State, presenting "Progress Re-

port on Artificial Insemination and Breeding as It is Related to Feeder Pig Production."

A tour of the Winter facilities also will be conducted. All interested persons are invited to the event, planned by the Columbiana-Mahoning Swine Committee and sponsored by the Co-operative Extension Service, Myers said.

For the first time in history every pro who teed off in the 1963 USGA Open at Brookline, Mass., received at least \$150. The minimum for playing 72 holes was \$300.

Bethesda Church Unit To Meet On Thursday

Mrs. Mary Binsley and Mrs. Dorothy Copeland will be hostesses at a meeting of the Missionary Society of the Bethesda Presbyterian Church near Millport Thursday with Mrs. Copeland, Mrs. Ruth Frischkorn will be speaker.

Mr. and Mrs. Robert Edmund and family have returned from a trip through Eastern Pennsylvania, Kentucky and West Virginia.

Mrs. Norma Ketchum and Mrs.

Vivian Goddard have concluded a trip to northern New York.

Land Owner To Offer Kent State U. 5 Acres

ASHTABULA, Ohio (AP)—Five acres, valued at \$73,940 for tax purposes, will be offered free to Kent State University, according to the land owner, Robert S. Morrison, president of the Molded Fiber Glass Co.

Morrison said Tuesday the property with 23 buildings on it would not be suitable for classroom use but that the university's Ashtabula Center might be able to use it for shop work.

Probers Seek Cause Of Missile Explosion

CAPE CANAVERAL, Fla. (AP)—Air Force investigators are studying five seconds of radioed data in an effort to determine what caused a Minuteman missile to explode.

The 58-foot intercontinental range rocket blew apart Tuesday night just after darting out of the 85-foot-deep launching pit for an intended 4,000-mile test flight.

The missile was an advanced Wing 2 model, of a type which the Defense Department declared operational earlier this month.

Bonds Proposed

City Hall Repairs Aired At Chester

The need for repairs at Chester's City Hall and enforcement of stop sign regulations at three new four-way stop sign intersections were aired at a meeting of Council Tuesday night.

A contract for installation of a new floor at the fire station at the City Hall was awarded to Sayre Graham, Chester contractor, on his bid of \$1,400.

The only other bidder for replacing the faulty flooring was Earl Broadbent of East Liverpool who bid \$2,880. Graham's contract includes the provision a city highlift and labor be provided for removing debris.

THE CONTRACT was awarded, 4-1, with Councilman Donald Chaney opposed.

Councilman Wayne Hutton said: "I should have an open house at the City Hall so people could come in and see the terrible condition of the building."

Hutton declared many repairs are needed, including a new heating system.

"The building is in bad shape, and it might cost \$25,000 for repairs and improvements," he said.

"I would like to see a bond issue authorized to fix it, and I would donate my next year's salary as councilman for the project."

CLERK ROY Cashdollar commented he did not believe more than \$1,800 has been spent on the building in the past four years.

Discussion on the four-way stop signs erected last week at three city intersections was brought up by Councilman Chaney, who said he had received a number of complaints.

Signs were ordered placed at 2nd St. and Virginia Ave., Indiana Ave. and 4th St. and Louisiana Ave. and 6th St. at a meeting of Council earlier this month.

Chaney reported Police Chief Clarence Lennens advised him many motorists have failed to observe the signs, and three drivers arrested the first day were charged with passing at the intersection.

LENNENS subsequently said 32 violations were noted at 2nd St. and Virginia Ave. in a nine-minute period the first day the signs were erected.

Chaney said he believed authorities should be lenient with motorists for about a month until they can become adjusted to the change. He said he failed to stop twice at signs yesterday, and Councilman Donald Hissam said he also passed one.

Chaney suggested the word "STOP" be painted on the streets at the signs to call attention to the change.

Councilman Charles Kology said he has also received many complaints about the signs.

COUNCILMAN Carl Graham declared: "We have an ordinance and there is no excuse for not stopping. It is the law, and it should be enforced."

Hissam and Hutton suggested the matter be left to the decision of the police department.

Lennens reported he and Mayor Harry Abrams had met with Hancock County Sheriff Joseph Manypenny Monday night concerning changes in the police radio system to become effective in the district in September.

The chief said Sheriff Manypenny advised them Motorola Co. equipment will be used exclusively in the county.

COUNCIL, scheduled to provide new equipment for the change, heard Patrick J. Aland of the Motorola Co. and George Evans of General Electric Co. describe their communications systems for rental or purchase. No action was taken.

The Motorola Co. contract is based on a 1-year period, and General Electric on a 5-year period.

City Solicitor William Ingram reported Council cannot enter into a contract which is binding upon future Councils.

Mayor Abrams said a caucus meeting will be held Friday night at 7:30 for further discussion on the equipment.

Council was advised by a letter from the Park Commission on the commission's stand concerning a proposed swimming pool at the park.

THE COMMISSION pointed out there are other needs greater than a pool, including payment of debts totaling over \$5,000, and improved facilities and maintenance.

Councilman Chaney at the July 2 meeting had proposed a November vote on a bond issue for a pool. No action was taken at last night's meeting following receipt of the letter.

City Clerk Cashdollar was instructed to obtain information concerning Civil Service for municipal employees.

COUNCIL took under study a proposal by Dale Hoyt of Albia St. Boy Scout executive, for community projects to be undertaken by Chester scouts.

Deficit Seen For Lisbon's School Fund

LISBON — The Lisbon Village Exempted School District expects to end 1963 with a \$47,842 deficit. It was shown in the budget of \$554,250 adopted by the Board of Education at a special meeting Tuesday night.

The budget estimates receipts of \$540,240. For the current year, the board's budget is set at \$536,576, with receipts listed at \$530,734.

The board pointed out the deficit will grow to \$63,852 by the end of 1964 unless a new source of revenue is found. At its meeting on July 9, the board had anticipated a \$105,000 deficit. The error resulted from a miscalculation, the board said.

The board indicated that to help produce new revenue, it will submit a new 3-mill operating levy at the Nov. 5 general election. In effect five years, it would bring in another \$36,000 for operations annually.

The board also granted a new one-year contract to Supt. Oliver Payne at \$10,000, the same figure at which he was hired in August 1962.

Two teachers resigned and two more were rehired.

Resignations were accepted from James Ferguson of New Philadelphia, high school science teacher, and Mrs. Barbara Sullivan, fourth grade teacher at McKinley School.

Mrs. Kathryn Biesheit of Columbiana, who taught six years in East Palestine before she was married, will teach English in the high school at a salary of \$4,772. Wilbur Downs of Carrollton, operator of a jewelry store in Carrollton, was hired to teach high school biology and general science at a salary of \$5,520. He has 12 years' experience as a teacher.

Supt. Payne discussed the securing of an industrial arts teacher and recommended to the board that a second industrial arts teacher be employed. He also discussed the transportation problem, citing the fact 72 pupils live less than a mile from McKinley Building.

He discussed the moving of the boundary lines in the village, but no official action was taken. He also reported on the test book fund for the balance of 1963.

The board authorized installing

of new lights in the cafeteria and kitchen at the Lincoln School before the new term begins.

Supt. Payne also discussed needed improvements in the schools which include better supervision courses of study and inventories of materials and teaching aids.

The board's next regular meeting is scheduled for Aug. 13 at 8:30 p. m.

Officers' Duties Told To Kaycees

The duties of new officers were outlined by John Kozora, district deputy, at a meeting of Wellsville Knights of Columbus Council 507 Tuesday night at the K. of C. home.

Kozora discussed an administrative school held Sunday at Canton. He said a district meeting will be held Friday at 8:30 p. m. at Wellsville for all grand knights, financial secretaries and treasurers.

Fred Morrow, general program chairman, said the six-point chairmen are to meet Monday night at 7:30 to outline the programs for the coming year.

James McPeak, grand knight, presided. He said the trustees will meet to hold an audit Thursday night at 7.

Drivers Cited On 3 Mishaps

Two district drivers were cited after collisions in northern Columbiana County Tuesday and a Sharon trucker was arrested after a crash at Rogers.

Augustus Baumgarner, 42, of Glenmoor was charged with excessive speed after his car, rounding a curve on Route 558 near Salem, struck the side of an oncoming auto operated by Elizabeth Summers, 47, of Leetonia, the Ohio Highway Patrol at Lisbon said.

Officers said the roadway was wet. Neither driver was injured, the patrol added.

David Hoppel, 22, of R.D. 3 was cited after his car rammed the rear of a halted auto on Route 7 about a third of a mile north of the intersection with Route 14.

The patrol said the other car, operated by Christine Thomas, 39, of Columbiana, was stopped, headed south, because of a mechanical failure.

No one was injured, but Hoppel was charged with failure to stop in the assured clear distance, officers reported.

James Allen Crook, 29, of Shar-

on also was charged with failure to stop in the assured clear distance after the collision at Rogers yesterday morning.

Crook's semi-trailer struck the rear of a car driven by Edward Durda, 38, of Youngstown, who had stopped for a traffic signal on Route 7 at Route 154.

Durda was treated at Salem City Hospital for contusions of the chest.

Lisbon Area Motorist Pays \$15 On Speeding

One motorist was fined for speeding and another was granted another continuance in Municipal Court this morning.

Ralph E. Dawson of Lisbon R. D. 2 was fined \$15 and costs after pleading guilty to speeding on the Freeway. He was cited Tuesday night while driving 70 miles an hour, police said.

Larry M. Rush of 6th St., Newell, was scheduled to receive a hearing on driving without an operator's permit. His case had been continued once and was reset again today for next Wednesday at 9 a. m. Rush was fined on another charge at a hearing July 8. He was cited after a two-car collision July 6 at W. 4th and Jefferson Sts.

Miss Ruth Cline was honored with a bridal shower by Miss Margie Richard and Miss Linda Shears Monday night at Akron.

She opened her gifts sitting on a chair decorated in poudre blue and white crepe paper, a boye which was suspended a decorated ruffled parasol.

Refreshments were served to 30 by the hostesses at a buffet table centered with an inscribed cake.

Favors were miniature parasols. Miss Cline is the daughter of Mr. and Mrs. Victor R. Cline, 1644 Globe St., and will become the bride of Robert C. Paton, son of Professor and Mrs. Andrew W. Paton of Kent, the evening of July 26 at 7:30 o'clock in the Boyce Methodist Church.

The Rev. Ronald Reaie, pastor, will officiate for the open church ceremony. A reception will follow at the home of the bride-elect's sister and brother-in-law, Mr. and Mrs. Herbert Purton, 1560 Etruria St.

A skit, "A Little of This and That," was presented by Mrs. Grace Taylor, program chairman, at a meeting of the Philathea Class of the First Baptist Church Monday night in the social rooms.

She was assisted by Mrs. Gladys Thompson. Articles on "Quiet People" were read by Mrs. May Wray and Miss Ora McElroy.

Mrs. Ethel Blatchford conducted worship, reading Scripture from 2 Tim. Special prayer was heard for Mrs. Beverly Bayley, a patient at the Ohio Tuberculosis Hospital in Columbus. Group hymns were "Sweet Hour of Prayer" and "What a Friend We Have in Jesus."

Mrs. Mae Littell, president, conducted business. Reports were

heard from Miss McElroy, secretary, and Mrs. Wilma Beaver, treasurer. A card was signed for Mrs. Blanche Mackey of Glendale, Calif., a former member who is recovering from recent hospitalization.

Plans were discussed to hold a picnic jointly with the Baraca - Pursaw Class Aug. 19 at Thompson Park. The family coverdish affair will begin at 6 o'clock.

Lunch was served by Mrs. Etta Serafy, Mrs. Bertha Woods and Mrs. Blatchford.

Next regular meeting is Sept. 16 at the church with Mrs. Bertie Aley, social chairman.

"The Book of the Seven Churches" was the theme for the Bible study conducted by Mrs. Theima Williams when the Ladies Aid Society and Christian Service Group of the Glenmoor United Presbyterian Church met Monday night with Mrs. Anna Stepanovich of Saunton Ave.

Mrs. Sue Merchant led worship on "Spiritual Growth," reading Scripture reference from Isaiah 16: 1-2, along with a poem and meditation.

Refreshments were served to 14 by the hostess, assisted by Mrs. Marian Smith and Mrs. Merchant. Next meeting is Aug. 19 at the church with Mrs. Leslie Conn and Mrs. Ella Scott as hostesses. Mrs. Williams will lead the Bible study.

Miss Vicie Pearl Canterbury, daughter of Mrs. Elizabeth Canterbury of Lenore, W. Va., and the late Joel Canterbury, became the bride of James Howard Dillon, son of Mr. and Mrs. James C. Dillon of Lenore, last Saturday evening at 7:30 o'clock at the home of the bride's mother.

The Rev. Richard Dillon, uncle of the bridegroom, officiated for the double ring ceremony.

The bride wore a blue taffeta dress overlaid with blue net. Her accessories were white and she carried a bouquet of pink rosebuds.

Mr. and Mrs. Frank Hall of East Liverpool, sister and brother-in-law of the bride, were the attendants. Mrs. Hall was attired in a blue taffeta and net dress with white accessories and corsage of pink rosebuds.

Candice Hall, niece of the bride, was flower girl. She appeared in a white nylon dress with matching headpiece. She carried a basket of yellow roses.

The mother of the bride wore a white silk dress with Navy blue accessories and yellow tearose corsage.

A reception followed at the Grovers Hall in Lenore.

The newlyweds attended Lenore High School. They are residing at 941 Monaca St. The bridegroom

MISS IVA A. BEBOUT
To Wed Air Force Officer.

Iva Ann Bebout, J. E. Francis Jr. Plan August Rite

Announcement has been made of the engagement and forthcoming marriage of Miss Iva Ann Bebout, niece of Mr. and Mrs. George E. Mackall of Princeton Ave., to Lt. John E. Francis Jr., son of Mr. and Mrs. John E. Francis of Park Crest, Bamesville, Pa.

The wedding will be an event of late August.

The bride-elect is a 1959 graduate of Chester High School and is employed as bookkeeper and teller at the First National Bank. Her fiancé is a graduate of Mahanoy Township High School. A 1961 graduate of Penn State University, he was affiliated with the Phi Kappa Tau Fraternity and Arnold Air Society. Presently stationed at the Charleston (S.C.) Air Force Base, he formerly was on the teaching staff of Brighton High School at Rochester, N. Y.

works for Volino Bros. in East End.

Officers were elected at the fourth annual reunion of the Powell family Saturday at Lake Marwin. About 83 were present.

Lawrence George of New Kensington, Pa., was elected president; Ralph Powell, also of New Kensington, first vice president; Edward Brown of Chester, second vice president; Mrs. Edith Howell of East Liverpool, secretary; James Morrison of Coraopolis, Pa., treasurer, and Raymond Powell, historian.

Robert Boyd announced a family tree booklet will be compiled. Recognition was given Mrs. Georgia Powell, oldest, and Mary Morrison, youngest.

Swimming, boating, fishing and miniature golf were diversions. The committee was Warren Brown, Robert Boyd, James Morrison, Lawrence George, Mrs. Eleanor Martin and Mrs. Georgia Powell.

The 1964 reunion will be July 11 at the lake.

Travel award went to Mrs. Corine Talbott when the Roaring Twenties Club met Monday night with Mrs. Nancy Reed of the Substation Rd.

Other prizes, at the two tables of Canasta in play, went to Mrs. Crawford and Mrs. Mary Jo Garren.

Lunch was served by the hostess assisted by Mrs. Garren, Mrs. Talbott and Mrs. Margaret Wise were guests.

Next meeting is Aug. 5 with Mrs. Clara Chapman of Glenmoor.

Report night was held at the meeting of Women of the Moose Chapter 642 Monday night at the lodge home.

Mrs. Permelia Kilmer gave the audit report; Mrs. Patricia

Henthorne, publicity, and Mrs. Evelyn Balser, college of regents. Mrs. Marie Tweed, senior regent, presided with 20 responding to roll call. The group balloted on a candidate.

Plans were made for the family picnic which the women will hold jointly with the men's lodge July 28 at Valley Park. The committee is Mrs. Kilmer, Mrs. Mildred Springer, Mrs. Leona Swiger, Mrs. Cleda McDevitt, Mrs. Julia Baumgard, Mrs. Ida Skinner and Mrs. Mildred Waggoner.

Mrs. Tweed, Mrs. Sheila D'Angelo and Mrs. Clara Sumpter will have charge of the children's refreshment bar.

Prizes won were Mrs. Lavonia Walls, mystery; Mrs. Louise McDole, attendance, and Mrs. McDevitt, academy of friendship.

Officers' chapter night will be observed Aug. 5, when initiation of candidates will be held. Lunch will be served by the social committee.

The annual picnic of American Gold Star Mothers will be held Saturday at the summer cottage of Mr. and Mrs. Dwight Morehead at Marks Landing, Guilford Lake.

The committee is Mrs. Marie White and Mrs. Ruby Roush, who will arrange transportation, Mrs. Margaret McDoo and Mrs. Olive Laidlaw. Members will take a coverdish and table service and the chapter will furnish the meat and rolls. Husbands and other guests are invited.

Mrs. Charles Amott assisted her mother in serving dessert luncheon when the MNS Club met Monday night with Mrs. Arthur Hull of Jefferson St.

Trophies at two tables of progressive 500 went to Mrs. James Rabon, Mrs. Willard Enochs and Mrs. Lawrence Black, who won travel.

Next meeting is July 29 with Mrs. Rabon of Gaston Pl.

The Pairs and Spares Class of the Grace United Presbyterian Church will meet Saturday with Mr. and Mrs. Richard Welch of Garner Ave.

Persons

S. Sgt. and Mrs. Leonard Hanlon and children, Diana Lynn and Danny, of Offutt Air Base at Omaha, Neb., have concluded a visit with his mother, Mrs. Anna Hanlon Aikens of Prospect St. They were accompanied by Miss Judith Ann Tice of W. MISS VAWNA McDEVITT
Plans Open Church Rites.

Salem Area Man To Wed Aug. 10 Miss McDevitt,

Mr. and Mrs. Foyn McDevitt of West High St., Lisbon, announce the forthcoming marriage of their daughter, Miss Vawna D. McDevitt, to Ronald E. VanPelt, son of Mr. and Mrs. Jacob VanPelt of Salem R. D. 5.

The wedding will take place, Saturday, Aug. 10, at 3:30 o'clock at the First Methodist Church of Lisbon. "Open church" will be observed.

An open reception will follow in the Fellowship Hall of the church.

Miss McDevitt is employed by Mr. and Mrs. Kent Foulkes of W. Lincoln Way, Lisbon. VanPelt is with the B. & B. Carpet and Rug Co. of Youngstown.

The social committee, headed by Mrs. Cecil Walton, was in charge of arrangements. The group will meet Aug. 19 with Mrs. Hilary Johnston of Route 2.

Plans for a public ice cream social Friday night at the Lawrenceville fire station were made at a meeting of the auxiliary of the fire department Monday night at the fire station.

Proceeds from the 6 o'clock event will be used for projects.

Plans also were made for a family picnic July 28 at Tomlinson Run State Park.

Mrs. Charlene Keener and Mrs. Jean Haun were enrolled as new

members. A contest prize was won by Miss Alberta Stravinsky. Mrs. Jantha Shenton, president, was in charge. The group will meet Thursday night with the firemen prior to the regular firemen's meeting.

The group will meet again Aug. 5.

Slides of the First Christian Church camp in June were screened by Forrest McDonald at a meeting of the I Do Class of the church Monday night with Mr. and Mrs. Burrl Beaver of Luella Ave.

Slides of the 1963 Cotton Bowl football game also were shown. Mrs. John Shattenberg read the Scripture and John Shattenberg

R SPECIAL PROTECTION
FOR MEDICINES

Just as it is necessary for you to store foods to protect their nutritional value, good taste and freshness so must a pharmacy take special precautions to keep medicines at their full potency and effectiveness.

Certain products, such as biologicals, vaccines and some vitamins must be refrigerated. Others must be protected against light, heat and water absorption. On such prescriptions you will find the needed instructions to keep the medicine safe once it has left the pharmacy and is in your home.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Pastor-Author Dies

NEWCASTLE, England (AP) — The Rev. Fr. Gerald Vann, 58, one of the most widely read Catholic theologians, died Sunday.

SOCIAL NOTES

(Continued from Page 8)

presented an article on worship. Prayer was given by Harold Cozart. Refreshments were served.

A corn roast will be held Aug. 19 with Mr. and Mrs. Philip Garvey of Westfield.

Chesler Personals

Mr. and Mrs. Robert Stover and daughter, Janet, of Miami, Fla., and Pfc. Raymond Stover of Ft. Gordon, Ga., spent the weekend with Mrs. Visa Stover of Johnstown.

Newell Society

Charles Cronin FU 5-4545

Fifteen attended a cookout held by the auxiliary of American Legion Post 114 Monday night at Crestview Park on Route 66.

Plans were made to sell souvenirs of the West Virginia Centennial at the auxiliary's concession stand in the carnival of Newell volunteer firemen. Mrs. Helen McKenna, president, presided.

Mrs. Genevieve LaNeve, president-elect, and Mrs. Mae Hupp left today to attend the state convention in Huntington. They are delegates. A number of other members also will attend.

The Homebuilders Class of the First Church of the Nazarene will meet Thursday night at 7:30 o'clock at Tomlinson Run State Park. A coverdinner will be

served. Mrs. Carrie Isner is president.

Members of the Peacemaker's Class of the Church of the Nazarene honored their teacher, Mrs. Vera Eckleberry, with a surprise party on her birthday anniversary Monday night.

Twenty attended the affair at Thompson Park.

A handkerchief shower was held for Mrs. Eckleberry and she also was given a gift from the class.

A coverdinner was served. The table was centered with a pink and white birthday cake, flanked by rust-colored candles surrounded with white snowballs and dusty millers.

Prayer was offered by Mrs. Eckleberry. Guests were Mrs. Colleen Addis, Mrs. Elaine Eckleberry and Mrs. Ruth Allison.

Next meeting is in September.

The Gleaners Class of the Methodist Church will meet Thursday night at 7:30 o'clock in Fellowship Hall.

Mrs. Ruby Bragg and Mrs. Belle Simcox will be hostesses. Mrs. Simcox is president.

Newell Personals

Airman 2C and Mrs. J. H. McCuen and son have concluded a two-week visit with their parents, Mr. and Mrs. Robert Mercer of Newell, and Mrs. McCuen's parents, Mr. and Mrs. T. D. Glass of Hookstown. He is stationed at Seymour Johnson Air Force Base in Goldsboro, N. C.

Midland Society

A. J. Nuzzo NE 4-2315

Mrs. Nick Vranes is taking summer camp reservations for Sunday School children of St. George Serbian Orthodox Church.

The camp will be held in Shadeland, Pa., the week of July 28, sponsored by the Mothers' Club of the church. The club will meet July 25 in the church library.

Midland Personals

Army Pfc. Louis DiCiccio of Ft. Benning, Ga., has concluded a 10-day leave with his mother, Mrs. Mary DiCiccio of Woodlane Ave.

Ohio, West Virginia**Students Win Honors**

SAN FRANCISCO (AP) — Winners of the Elks National Foundation's annual most valuable student competition scholarships include:

Ohio—Linda Ann Wood, Lima, \$1,300; George T. Jones, Ravenna, \$1,200; John H. Flickinger, Alliance; Leslie A. Beringer, Cleveland; Patricia M. Cyran, Lorain; Mara Velme, Toledo \$700 each. West Virginia—Kenneth A. Baker, Moundsville, and Diane Lee Syre, Vienna, \$700 each.

Pollinating insects are essential for seed development in carrots, radishes, turnips, cabbage, celery and many other vegetables.

MISS IRENE GALLO Plans Nuptials In Fall.

Miss Irene Gallo Engaged To Wed Larry E. Brown

Mr. and Mrs. Pete Gallo of Columbiana Rd. announced the engagement of their daughter, Miss Irene Louise Gallo to Airman 1C Larry E. Brown, son of Mr. and Mrs. Wesley Brown of Exchange St., Lisbon.

Miss Gallo is a 1959 graduate of David Anderson High School and is secretary - treasurer of Kuhn's Hardware at Lisbon.

Her fiancé is a 1957 graduate of David Anderson High School and is serving his second enlistment with the Air Force. He is stationed at Andrews Air Force Base at Washington, D. C.

A fall wedding is planned.

Church Session Opening Planned

The 81st annual session of the Pittsburgh Conference of the Free Methodist Church was to get underway this afternoon at 1, following a luncheon at 11:30 a.m. at the campgrounds on Anderson Blvd.

Bishop E. C. John of Spring Arbor, Mich., a native of the Pittsburgh Conference, will preside throughout the meeting, which will close Saturday afternoon.

This afternoon's session was to feature the election of the stationing committee, election of a superintendent and reports of standing committees.

The Rev. R. L. Page of East Liverpool, conference superintendent, will report on conference activities.

Bishop John will address the group tonight at 7:30. Music will be provided by the Jones family. Thursday's session will get underway at 8:30 a. m.

South Side Auxiliary Plans Rummage Sale

Fay Garner was named to be in charge of a future rummage sale at the Monday meeting of the auxiliary of the South Side Athletic Club with Mrs. Juanita Patton of Frankfort Springs.

Mrs. Louise Wright and Mrs. Patton were appointed to purchase trophies for the team winners in the South Side Hot Stove League.

The roll call of the directors was given, with Hanover not represented.

Mrs. Juanita Hamilton, treasurer, reported a balance of \$174.64. Mrs. Joanne Serallie, president, presided.

Next meeting will be Aug. 12 at Hookstown.

To make croutons for Caesar Salad and other dishes, cut slices of white bread in one-half inch cubes. Toast the bread cubes in garlic - flavored olive oil until golden brown and crisp - keep heat low and allow plenty of time for this.

Session Set Thursday Night By Irondale Church Women

The Woman's Society of the Irondale Presbyterian Church will meet Thursday night at 8 in the social rooms, with Mrs. Ruth Henderson as leader.

Stanton Local Band Boosters will sponsor a round and square dance outside the high school in Hammondsville tonight from 8:30 to 11:30. There will be a refreshment stand.

Proceeds will be used to purchase new uniforms. Mrs. Elaine Porter or Irondale is president.

Mr. and Mrs. Alfred Fortune of San Bernardino, Calif., former local residents, and Miss Elizabeth Fortune are visiting their brother and family, Mr. and Mrs. Tony Fortune of Clearwater, Fla.

Mrs. Eugene Dickens and children of Franklin Park, N. J., are visiting her parents, Mr. and Mrs. Willis Frampton.

Mrs. Twyla Nicholson, delegate to the Methodist Conference, presented a report Sunday at services in the Methodist Church.

Mrs. Jean Gill and family and Mrs. Laura Grimm left Tuesday morning to visit Mrs. Gill's sister and family, Mr. and Mrs. William Horton of Cincinnati.

Andy Rohol, son of Andy Rohol of Saline St., is vacationing in Florida.

Mrs. Earl Shanks and nephew, Dale Porter, of Madison, Wis., visited this week with Mr. and Mrs. Dick Tice. Mrs. Shanks is a sister of Mrs. Tice.

Dr. and Mrs. William Banfield and Mrs. Millie Ferguson are vacationing at Geneva-on-the-Lake.

Mrs. Laura A. Grimm has returned after an extended visit in Madison. She was accompanied home by her son-in-law, Delbert Nixon, and children, Mark and Judy, who spent a day at the Grimm home.

Airman 1C Scott Patton arrived this week from Kindley Air Base in Bermuda and will be stationed in the states.

Canton Resident Visits Salineville

Miss Dorothy Murray of Canton spent the weekend with her mother, Mrs. Elsie Murray of W. Main St., and her aunt, Miss Agnes Murray of Academy Ave., Salineville.

Mr. and Mrs. Ray Slagel of Minerva visited Saturday with her parents, Mr. and Mrs. Charles Sweeney of E. Main St.

Misses Patty and Rachel Clark of Summitville were business callers here Monday.

Mrs. Guy Hurd of Lisbon has returned home after a week's visit with friends here.

Miss Blanch Dougan of Castle Shannon, Pa., visited Saturday with her cousin, Mrs. Margaret Joseph of E. Main St. Mrs. Joseph returned with her.

Mrs. Clea Peloso of W. Main St. visited in Salem Saturday.

Mr. and Mrs. Eugene Knox of W. Main St. are touring the New England states.

Bryan Sandles, Ohio Fair Figure, Claimed

SPRINGFIELD, Ohio (AP) — Bryan P. Sandles, who spent most of his career with state and county fairs, died here Tuesday at the age of 64.

Sandles was admitted to Mercy Hospital Monday. He had a heart condition.

Sandles had been manager of the Clark County Fair since 1948. He was acting manager of the Ohio State Fair at one time and was a member of the Ohio State Expositions Commission until last April 5.

He resigned from the Expositions Commission at that time, alleging that Fred Morr, then state agriculture director, had asked for his resignation.

Sandles also was part owner of the Putnam Gazette in Ottawa, a newspaper founded by his father.

Longer Trucks OK'd, Bigger Pay Loads Due

CHICAGO (AP) — Bigger pay loads per truck will move on highways in four states now that increased over - all truck lengths have been voted by lawmakers.

South Dakota, says Commerce Clearing House, led the parade with legislation permitting the operation of 65-foot truck - trailer combinations, an increase from 60-foot maximums.

Iowa upped its length - limit from 50 to 60 feet. Arkansas and Indiana lifted the length - limit from 50 to 55 feet.

American Association of State Highway Officials recommends a maximum of 60 feet.

The upper limit of 65 feet is practiced in 10 states, 60 feet in 10 states, 55 feet in 8 and 50 feet in the remaining 22 and the District of Columbia.

Tour Of Historical Society To Bring 200 Here Saturday

About 200 members of the Historical Society of Western Pennsylvania will spend over an hour in the city Saturday as part of their 20th annual tour, featuring a boat trip on the Ohio River.

The trip will begin at the Historical Society building in Pittsburgh at 9 a. m. Members will arrive here by car and bus.

More than an hour will be spent at the East Liverpool Historical Society's museum in the Carnegie Library, where the group will inspect portraits of early residents painted by David Blythe, a large exhibit of ceramics — mostly made in East Liverpool — and a large petroglyph collection of pictures and impressions of ancient rock carvings from the Upper Ohio Valley.

Following the visit to the museum, the group will board the party boat, "Chaperone" at 11:30 a. m. and travel downstream for four hours. The boat will return to East Liverpool about 7:30 p. m.

A buffet lunch and dinner will be served aboard the craft. Capt. Fred Way and others will narrate some of the local river history.

The Historical Society has advised members of a "special feature" of the tour — an eclipse of

the sun beginning at 4:37 p. m. and terminating at 6:51 p. m. when the moon will cover 85 percent of the sun's surface.

Joining the tour here will be several members of the local Historical Society, including Atty. William H. Vodrey Jr., Harold B. Barth and C. Victor Hughes.

Local arrangements for the tour have been made by H. Judson English of the Columbiana County Motor Club.

Health, Safety Group Will Hear Dr. Kolozsi

LISBON — Dr. William A. Kolozsi of Salem, county coroner, will report on the duties and responsibilities of his office when members of the Columbiana County Health and Safety Council meet Tuesday, July 30, at 8 p. m. in the county extension offices on S. Market St. He also will show slides.

Atty. Donald Elliott of Rogers, chairman of the legislation committee, will give a report. Program chairman also will give data on progress of their programs.

The Rev. Tom Hammerton of East Palestine, chairman, will preside.

Chester's VFW Plans Fete For Youngsters

Plans to sponsor a back - to - school picnic for Chester youngsters Aug. 18 at City Park were made at a meeting of Chester VFW Post 6450 Monday night.

The post also discussed obtaining a chartered bus to attend a West Virginia University football game in the fall.

Plans were made to sponsor three patients at the Veterans Administration Hospital at Pittsburgh to Waterford Park race track July 26 and for playing a softball game with American Legion Post 121 Sunday at the City Park.

Refreshments were served to 14 by Richard Shingler and Jess Selmon. George Allison, commander, was in charge.

The post will meet Aug. 19.

Meeting Set Tuesday By Area Orchardmen

LISBON — Columbiana - Mahoning orchardmen will hold a summer twilight meeting Tuesday at the Peace Valley Orchards south of New Waterford, operated by Dan Simmons and his sons, Don and Dan Jr.

The program includes a blanket picnic at 5:30 p. m.; viewing of commercial exhibits at 6:30, tour of orchards and buildings and discussion of apple tree decline by Eldon Banta, Ohio horticulturist; and a talk, "Fruit Research in Action," by Dr. Loren D. Tukey of Penn State University.

The public meeting is planned by the fruit tree planning committee of Columbiana and Mahoning Counties and is sponsored by the Co-operative Extension Service.

Boy Injured Fatally

LONDON, Ohio (AP) — Nelson Troyer, 10-year-old son of Mr. and Mrs. Abe Troyer of Rt. 2, Plain City, was injured fatally Tuesday night. His bicycle was struck by an automobile on the Lafayette-Plain City Road north of London.

Development Group Pushes Proposal For Incorporation

Articles of incorporation for an area redevelopment organization were given tentative approval when a steering committee setting up the program met Tuesday afternoon at the Chamber of Commerce office.

The incorporation papers for the non-profit organization, to be known as the Community Improvement Corp. of the East Liverpool Area, will be forwarded to Secretary of State Ted W. Brown's office when all 15 men designated as trustees have an opportunity to sign.

Atty. Ben H. Berman, a member of the group who prepared the incorporation articles, was designated as agent for the new corporation.

Designated to serve as trustees until an election can be held are Alvin T. Babb, David E. Beatty,

Berman, Robert E. Boyce, William B. Cooper, Ralph Finley, T. H. Kashuba, C. M. Mayberry, James B. Moss, William D. Ogilvie, A. C. Purinton Jr., Harold Sneddon, Gordon E. Starkey, Wendell Vodrey and W. E. Williams.

The articles authorize the new corporation to borrow money, make loans, purchase, lease and sell real and personal property, to acquire goodwill, business rights, real and personal property and other assets along with stock shares, bonds, debentures, notes or securities and to mortgage, pledge or encumber any property.

The organization also will be authorized to receive voluntary gifts, donations and contributions of cash securities or other property.

Yule Tree Producers Plan Election July 25

LISBON — Officers will be elected at a meeting of Christmas tree growers of Northeast Ohio July 25 at 7 p. m. at the Elkton Beard home in Mahoning County. Don Myers, Columbiana County extension agent, announced.

A panel discussion on growers' practices and problems, fair exhibits and organization planning are slated at the twilight session, to which anyone interested in tree production is invited, Myers said.

The Beard home is located at the intersection of old Route 90 and the Columbiana - New Castle Rd.

Dear friends,

From our vantage point we have seen
family disagreements and hardships develop
because the deceased left no will.

Usually a will reduces probate expenses,
inheritance taxes and promotes family harmony.
Professional aid should be sought
to assure a properly drawn will.

Respectfully,

Harry L. Martin

McCovey Belts 27th, 28th

Koufax Guns Down Phillies For 16th As Dodgers Split

By JIM HACKLEMAN
Associated Press Sports Writer
A brilliant left-handed pitcher sparking a pennant drive and a rangy slugger on a club in the throes of a critical slump continue as the hottest items in the National League.

Sandy Koufax of the Los Angeles Dodgers and Willie McCovey of the San Francisco Giants, each starred again Tuesday night in doubleheader splits.

Koufax fired his ninth straight victory and 16th of the season at Philadelphia, going six perfect innings and finishing with a six-hitter in a 5-2 victory. The Phils rebounded against the first-place Dodgers in the second game, romping 10-2 with a 12-hit attack led by Johnny Callison.

McCovey belted a homer in each game at Pittsburgh, extending his hitting streak to 21 games and his homer total to 28, and won the opener 3-2 with a two-out homer in the ninth inning. Then the Giants dropped the second game, 3-2, falling into fourth place with the seventh loss in their last nine games.

Chicago's runner-up Cubs edged to within 5½ lengths of the top, taking Milwaukee 1-0 on a four-pitcher shutout and Ken Hubbs' homer. St. Louis moved into sole possession of third, nipping Cincinnati 5-4 on a 10th inning squeeze bunt by Tim McCarver and Bobby Shantz's fine relief pitching. New York's last-place Mets clipped Houston 4-3 with a ninth-inning run in the other NL game.

Women's Open Golf Tourney To Start Thursday

CINCINNATI (AP) — The nation's best women pros hit at some par-smashing performances at the U. S. Women's Open starting Thursday at Kenwood Country Club.

A practice four Tuesday by defending champion Mrs. Muriel Lindstrom of Worcester, Mass., brought a smile and some comment:

"It's made to order, and greens are magnificent. I'm looking forward to playing it again."

Mary Lena Faulk of Thomasville, Ga., third leading money winner on last year's tour of women pros, also lauded the greens, saying:

"On greens like these it'll be putting that will decide the championship."

Weekend rain did little to relieve the sun-baked fairways that carried the long, straight hitters far on the Kenwood Course, which is a hilly 6,444-yard layout.

It will have women's par of 37-38 — 73 for the tournament.

There will be 18-hole runs Thursday and Friday, with the 40 low scorers and ties after 36 holes going into the final 36 holes Saturday.

Group Will Name All-Star Players

Dan Wright, secretary of the South Side Athletic Club, has announced there will be a meeting of the managers of all seven districts of the league Sunday at 2 p. m. at the Hookstown fire hall to select an all-star team to appear in the Robinson Township Invitational Tournament which starts Aug. 12.

A manager and two coaches also will be chosen. Wright said. Drawing for playing positions in the tournament is scheduled Aug. 1.

Wright said six buses have been chartered to go to Pittsburgh to a Pirate ball game Saturday. All players, managers and coaches are to be at the Hookstown Grange Hall at 10:45 a. m. as the buses are scheduled to leave at 11. Players are to wear their uniforms.

James Ashcroft, president, announced the club's Tag Day last month netted \$337, with one district yet to report.

Silence Paces Boyce To 15-14 Church Win

Boyce Methodist, paced by the hitting of Guy Silence, nipped Calvary Methodist, 15-14, in a Church Softball League game Tuesday.

Silence led the 18-hit attack for the winners with a triple and four singles while Perry Gilson, Clyde Knoll and Chuck Windle all collected two hits. Windle was the winning pitcher and Fickle the loser.

Packers Start Drills

GREEN BAY, Wis. (AP) — The last of the regulars pulled into the training camp of the National Football League champion Green Bay Packers Tuesday night and immediately began taking their physicals.

straight shutout and 10th of the year, retired the first 18 Phils in order as the Dodgers built a 5-0 cushion. But Tony Taylor nicked Koufax for a leadoff double in the seventh and eventually scored on Tony Gonzalez' sacrifice fly for the first run off the star lefty Hoak and Earl Averill gave the Phils another run in the eighth.

The Dodgers got their five runs and 12 hits off loser Art Mahafey and Chris Short, with Wally Moon socking a homer and Jim Gilliam two doubles.

Callison walloped two homers and two singles in the second

game, which the Phillies wrapped up with three runs in the first off Nick Willhite and four more in the third against Ed Roebuck. Dallas Green went the distance for Philadelphia.

McCovey, who has totaled 14 homers during his 21-game hitting string, connected in the top of the ninth in the opener at Pittsburgh against Don Cardwell. Willie Mays and Orlando Cepeda also homered for the Giants as they ended the Pirates' winning streak at five.

McCovey sent San Francisco off winging in the second game with a first-inning homer, and tied it

at 2-2 with a run-scoring single in the third. But the Pirates got the clincher in the fifth on Bill Virdon's triple and Roberto Clemente's single. Don Schwall was the winning pitcher, with Al McBean again providing strong relief, and Jack Sanford lost his fifth in a row.

Bob Buhl of the Cubs checked the Braves without a hit until Hank Aaron doubled with two away in the seventh inning at Chicago. He gave way to the heat and humidity in the eighth, and Don Elston, Dick Lemay and Lindy McDaniel limited Milwaukee to one hit the rest of the way.

Orioles Drop Tigers Behind Stu's Relief

By JOE REICHLER

Associated Press Sports Writer
Relief specialist Stu Miller, believed to have lost his mound magic a year ago, is up to his old tricks and breathing new life into the Baltimore Orioles' American League pennant aspirations.

The Butterfly Man, who earned his nickname because of the way he confounded National League batters with his tantalizing slow curves, was traded to Baltimore last winter by the San Francisco Giants who palmed him off as all washed up.

This error in judgment may have cost the Giants a second straight championship. Little Stu has never been better.

Now in his 11th year in the big leagues, the 34-year-old right-hander is still befuddling enemy batters and bailing out his teammates with spectacular rescue work.

Miller came through with an-

other clutch relief performance Tuesday night helping Milt Pappas and the Orioles sew up a 5-2 victory over the Detroit Tigers. It was his ninth emergency in the last 14 days and his seventh save in that span, during which he was credited with one of the 10 Oriole victories.

The triumph boosted the Orioles to within one percentage point of fourth-place Minnesota and just a half game behind the second-place Boston Red Sox, who trail the front-running New York Yankees by six lengths.

In other American League games, Kansas City bombed Boston 11-4. Washington defeated Chicago 3-1 and Los Angeles nipped Cleveland 2-1. Rain washed out the Yankee- Twins contest in Minnesota, halting play while the league leaders were at bat in the second inning.

Baltimore, back in stride after losing 22 of 30 earlier in the cam-

paign, slammed four home runs to thwart Detroit's Frank Lary in his comeback bid. Boog Powell, Jim Gentile, Brooks Robinson and Bob Johnson hit the homers.

Miller relieved Pappas in the eighth out of a bases-loaded jam at the expense of only one run that cut Baltimore's lead to 3-2. He struck out Rocky Colavito and ended the inning by getting Billy Bruton on a slow roller. It was his 42nd relief appearance, most in both leagues, and his 15th save. He also has won three.

Moe Drabowsky pitched the shutout for the Athletics who bombed Boston pitching for 15 hits. The veteran right-hander permitted the Red Sox only four hits for his first victory of the season and first Kansas City shutout since May 17. Drabowsky helped his cause with a home run and a two-run single when his teammates jumped on loser Dave Morehead for five runs.

Shows Up At Angels Office

Belinsky Ready To Play Ball As Hawaiians Wait

By CHARLES MAHER

Associated Press Sports Writer
LOS ANGELES (AP) — Hawaiians showed they were ready for statehood. Now comes the larger question: Are they ready for Bo Belinsky?

Belinsky, like statehood, is coming to the Islands a little late. The Los Angeles Angels tried to option the unpredictable pitcher to their Hawaii farm club in the Pacific Coast League on May 25, and he is just now making arrangements to report.

Word reaching the mainland indicates Hawaiians found waiting for Belinsky somewhat more endurable than waiting to get into the Union. But if it was easy for them, it was expensive for Bo.

When the 26-year-old left-hander refused to report to Hawaii, the Angels placed him on the dis-

qualified list, cutting him off the payroll. Belinsky's \$15,000 salary, paid over a 5½-month season, works out to about \$90 a day. Since he won't get back on the payroll until he starts pitching again, and since it probably will take him at least 10 days to get in playing condition, his vacation is likely to cost him more than \$5,000.

Belinsky had a 1-7 record and a 6.39 earned-run average when the Angels cut him — one year and 20 days after he first achieved wide public notice by pitching a no-hitter against the Baltimore Orioles.

At the time the Angels gave Belinsky his separation papers, he was engaged to Miss Mamie Van Doren of the movies. The word was that they were to co-star in a pirate film, giving Belinsky a

chance to dazzle moviegoers with southpaw swordsmanship.

But their off-screen romance dissolved before Belinsky learned which end of the sword to hold and Bo added the movies to the list of industries in which he was unemployed.

Monday morning, Belinsky turned up at the office of Angel General Manager Fred Haney.

"He said he wanted to play baseball again," Haney told a reporter later. "Too bad he didn't decide to go to Hawaii when we first tried to send him. He might be back here now."

When Rozelle announced his original findings, April 17, he said the Rosenbloom matter had been delayed because of legal proceedings involving the owner of the Colts. He said the investigation would be completed in the near future. However, it was not until almost three months later that he finished.

It was pointed out in Rozelle's announcement Tuesday that two separate matters of private litigation involving Rosenbloom and

hasn't hauled in one of the big ones.

No one can call a year in which he has won a record \$88,150.18 an off year but so far this season, Palmer has been off his feed in the big ones—although he staggered into a three-way playoff in the U.S. Open before finishing third behind Julius Boros and Jacky Cupit. He was well down the list in the Masters, won by Jack Nicklaus, and last week wound up 27th in the British Open, won by the New Zealand left-hander, Bob Charles.

The fact that he's overdue, plus his record of never having won the PGA championship, have made the Latrobe, Pa., master a 4-1 favorite in the 72-hole medal play championship.

For the first time in 80 years the rare trumpeter swan, the world's largest waterfowl, has successfully nested east of the American Rockies. One nest in South Dakota produced four healthy young trumpeters.

It's also the last chance for Palmer, the king of golf the last four years, to win a major championship in a year in which he has banked more money than anyone else in PGA history and yet

NATIONAL OPEN champ Julius Boros is all dressed up for the PGA Golf Tournament that gets underway in Dallas Thursday. Boros has a warm spot in his heart for Texas. Boros, in his career, has won four tournaments including his first Open championship and has tied for first in two others. (UPI Telephoto)

NFL Probe Ends, Colt Owner Clear

By JACK HAND

Associated Press Sports Writer
NEW YORK (AP) — Carroll Rosenbloom, owner of the Baltimore Colts, has been cleared and the many-faceted investigation of gambling in pro football finally has ended after six long months.

The net results of the probe by Pete Rozelle, commissioner of the National Football League, were:

1. Green Bay's Paul Hornung and Detroit's Alex Karras were suspended indefinitely for betting on games.

2. Detroit's John Gordy, Gary Lowe, Joe Schmidt, Wayne Walker and Sam Williams each was fined \$2,000 for betting on the 1962 title game.

3. The Detroit club was fined \$4,000 for failing to keep a closer check on its players and permitting unauthorized individuals to sit on the bench.

4. Rosenbloom was cleared of accusations, later repudiated, that he bet on league games while an owner. Rozelle held the charges "unfounded."

There never was any evidence that any player ever bet against his own team or sold information to gamblers.

When Rozelle announced his original findings, April 17, he said the Rosenbloom matter had been delayed because of legal proceedings involving the owner of the Colts. He said the investigation would be completed in the near future. However, it was not until almost three months later that he finished.

It was pointed out in Rozelle's announcement Tuesday that two separate matters of private litigation involving Rosenbloom and

Negley Owners' Dog Wins Prize In Penna. Show

A Scottish Terrier, Hil-Rav's Hebrides Rock, owned by Hilda and Ray Bigelow of Negley went from open classes to best winners for two points towards his championship at the All Breed-Dog Show held Saturday by the French Creek Valley Kennel Club at Meadville, Pa. with 304 entries.

The best-in-show winner at the same show was also a Scottish Terrier Ch. Gaidine Great Beaver and this same dog repeated by winning the best-of-show Sunday at Painesville. He is owned by Helen B. Gaither of Wheeling.

"It has been a long time since this thing started," he said. "But I am glad that Commissioner Rozelle took this much time because I know for a fact that he checked out every rumor he encountered. I am glad to have the entire thing in back of me. Now there is only one thing left—to win the championship this fall."

In the meantime the Packers are preparing to shoot for a third straight championship without Hornung. The Lions are trying to fill the hole left by Karras.

"I have been a long time since this thing started," he said. "But I am glad that Commissioner Rozelle took this much time because I know for a fact that he checked out every rumor he encountered. I am glad to have the entire thing in back of me. Now there is only one thing left—to win the championship this fall."

Westgate Coach Resigns

Foltz Joins Grid Staff At Tuscarawas Valley

Larry Foltz, head football coach at Westgate Junior High, has resigned to become an assistant coach on the varsity football staff at Tuscarawas Valley near Dover.

The 25-year-old Foltz joins Jack Barr, another Potter grid aide, who resigned June 24 to become head football coach at Tuscarawas Valley.

In addition to his duties on the football staff, Foltz will be freshman basketball coach. He will teach manual training.

Foltz was head football coach at Westgate last season and was an assistant in 1961 along with assisting in basketball.

A graduate of Wells High School at Newell, Foltz won 10 varsity letters during his high school career playing regular on the football and baseball squads four years. In football he was an All-Ohio Valley selection. He performed two years as a regular on the basketball squad.

Foltz was graduated from West Virginia University at Morgantown in 1961 and played tackle for Mountaineers.

LARRY FOLTZ
Takes New Grid Post.

The new position marks his first varsity coaching job.

Lawyers Place 6 Players On Colt League All-Stars

The league-leading Lawyers placed six players on the 15-man Colt League All-Star squad that will open tournament action July 23 meeting the Eastern Ohio representative at Yorkville.

League officials pointed out that six of the 11 players on the 1962 Colt League To Hold Tag Day On Saturday

The East Liverpool Colt League will hold a "tag day" Saturday with players in uniform soliciting the downtown area. Proceeds will be used to help erase a deficit of \$960 still owed on the Colt League Field.

All-Star squad didn't make the team this season. East Liverpool's

N. Cumberland In One-Hit Victory; Gallagher's Win

New Cumberland drove into a two-way tie for first place in the Chester City Softball League with a 6-0 victory over Hancock Savings & Loan on a one-hitter through the combined efforts of Paytors and Hendershot.

In another contest, it took Gal-

FIELD AND STREAM

By R. L. LIDE
Fishing has slowed down over the past week and I doubt if anyone can predict what the remainder of this week will provide.

There are some nice channel cats being caught at Guilford, from 12 to 22 inches, along with bullheads and an occasional bass. Drift fishing seems to be the most productive now. Simply select your preferred bait and start at the lake's edge and let the wind tow you across the lake. If you don't get a fish, you can at least enjoy the scenery without too much effort.

Gizzard shad hatched this year should be traveling in schools now. When this begins the bass feed on them.

The thing to do is select some small spinner and cast around the edge of the school. When a bass makes a pass at the shad they leap out of the water leaving only your lure present for him to get hooked. That means he gets the shad that did not get away too late to learn it had a hook in it.

I SEE WHERE the Motor Club of Columbiana County will conduct a mystery tour for club members. Directions and maps may be obtained at either the Salem or East Liverpool offices. Spots to be visited will be the covered bridges, Morgan's Monument, Guilford Lake, State Park—Beaver Creek area and Lusk Lock.

Many residents never have visited these spots and know very little about the scenic beauty of Columbiana County. I also recommend they make a short trip down the Ohio River from East Liverpool to a point in Jefferson

County in order to see the beautiful new highway along the Ohio River. Take your cameras.

LONG - RANGE forecasts talk of another rough winter like last winter.

If this happens, it looks as though the squirrels are going to have a rough time of it. There will be no hickory nuts, walnuts, pignuts or beech. Even acorns will be scarce.

About the only means of survival will be to live on the succulent buds on the various trees, along with what corn may be available in the fields.

Individuals who feed squirrels on their premises will have to buy pecans and English walnuts—rather expensive squirrel food.

No Holdouts Expected Among Browns' Vets

CLEVELAND (AP) — Cleveland Browns' Coach Blanton Collier says he expects no holdouts among the veterans on the 1963 professional football squad when training camp opens next week.

Collier made the statement Tuesday after Bob Gain, a regular on the Browns' defensive line since 1955, signed his 11th contract. Gain captained the East squad in the annual Pro - Bowl game at Los Angeles last January and handled the place kicking chores.

According to Collier, four players have discussed terms by telephone and will sign contracts when they report at the Hiram College training camp Sunday.

They are Ernie Green, Monte Clark, Andy Cvercko and Jim Shorter.

Lawrenceville Continues Lead In S. Side Loop

Lawrenceville continued its lead in the Senior Division of the South Side Hot Stove League with a 14-5 victory over Hookstown, its 10th win in 11 outings.

In other games Tuesday, Newell defeated Frankfort, 13-6 with Ring, the winning pitcher, fanning nine batters. Bayless and Gamble smacked home runs for Newell.

Georgetown posted a 15-2 victory over Hanover with Ulbrick, the winning hurler, allowing only two hits. McCloskey was the loser. Berger collected three hits and Campbell two for the winners.

'Y' Opens Registration In Loop's Second Round

Registration has opened for the second round of play in the YMCA Outdoor Basketball League for area youngsters.

The second round will follow the same general plan as the first, with three divisions to be organized.

They are Junior, for sixth-seventh graders; Intermediate, for eighth and ninth graders, and High School, for sophomores, juniors and seniors.

Boys who participated in the first round are not required to submit new applications, but they must advise the YMCA of their intentions to play in the second round by phoning not later than Saturday.

Application blanks, available at the YMCA and First National Bank, are to be submitted by all new players and returned to the YMCA by Friday.

A meeting of all players who are now participating, as well as those who wish to play, will be held at the YMCA Thursday at 7 p. m.

Little League baseball players, who were not eligible for the first round, may participate in the second round, it was announced. The second round will get underway July 22.

New schedules will be prepared after all the new applications of players are received. Boys from East Liverpool, Chester, Newell and Beaver Local are eligible to participate.

Late Rallies Net Victories For Litten's And Bright's

Litten's broke a 4-4 tie with a big four-run outburst in the sixth inning to hand Golden Star an 8-4 setback Tuesday in Pony League action.

In the ding-dong battle, Litten's had stepped out to a 2-0 lead but the Dairymen tied it at 2-2 with a pair in the fourth. Both teams scored two runs in the fifth inning before Litten's capped the drive in the sixth.

Golden and Hall pounded a home run each to pace Litten's.

5 Policemen, Fireman Hurt In Race Strife

CHARLESTON, S.C. (AP)—Police dispersed 750 Negroes early today shortly after the first eruption of violence in Charleston's month-long series of racial demonstrations.

Five policemen and a fireman

were injured, none seriously, Tuesday night.
A total of 150 Negroes were arrested Tuesday.
Early today, Negroes gathered in front of a Negro Methodist church. Police broke up the crowd because they feared it might march on police headquarters four blocks away.
Ninety-five Negroes were arrested in Tuesday night's demonstration.
Earlier, fire trucks were called

to break up the crowd of 500 Negroes in front of the News and Courier Building.
The crowd began to disperse at the sight of the trucks, and fire hoses were not used.
Observers said the demonstrations began peacefully with the Negroes chanting "freedom" anthems.
Police began to make arrests and the mood of the crowd changed. A Negro hurled a brick

at a group of officers, striking Lt. Tallie Tillman.
Tension increased sharply after the incident. Police began to make more arrests in the milling crowd and four other officers were felled by bricks or stones. A fireman was hit by a brick as the crowd began to disperse.
The smallest known insect is a minute wasp that parasitizes the eggs of other insects. It is less than 1-100-inch in length.

Continuance Set In Building Case

A seventh continuance was ordered today by Municipal Judge Samuel M. Chertoff for a property owner directed by a fire marshal's order to make repairs to a house at Central Ave. and Ridge Alley.
Robert H. Kaiser, 1221 Pennsylvania Ave., informed the court that the work has been done. The judge then continued the case un-

til Fire Chief Charles Bryan can make an inspection of the building.
Kaiser informed the court in June that he started the work but the house was vandalized and he lacked funds to purchase additional equipment.
Kaiser originally was haled into court Dec. 20, 1962, on an affidavit signed by George Boston of Winterville, deputy state fire marshal, alleging the property owner had "willfully or negli-

gently failed, neglected or refused to comply" with a repair order issued Sept. 4, 1960.
Report Bogus Bills
CINCINNATI (AP) — Secret Service agents say counterfeit \$5 bills are beginning to turn up in Cincinnati. Arnold Lau, agent-in-charge of Secret Service in Cincinnati, says they are all 1950B series and have the same serial number—G74476346C.

**Ohio Unemployment
Claims Show Jump**
COLUMBUS, Ohio (AP) — The number of claimants for unemployment compensation, increased from 57,945 to 61,376 in the week ended July 13, the Bureau of Unemployment Compensation reported today. It was the first rise in this category in weeks.

Out Of The Air

By HAL HUMPHREY

Interviews Designed For New TV Season

Nearly 40 weekly TV shows became casualties the past season, which is close to half the number of shows broadcast by the three major networks in prime evening time. Any other business with that sad a record would fire most of its executives and redesign whatever it was selling. In television, the Hal Humphrey same bunch of executives not only keep their jobs, but pretend that last year didn't happen.

PHRASES LIKE "new concept" and words such as "integrity" and "challenging" again are filling the air over Hollywood, as the same producers generally busy themselves with a crop of new shows to plug the gaps left from the 1962-63 season.

To save you from the endless interviews with network executives, TV film producers and stars about the coming season of television, the following is a compendium set of interviews to be read whenever you need to be reassured about TV's immediate future.

The Actor

"Yes, it's true, I've been signed to star in "Crackdown," and I just wish you could read some of the scripts. They are absolutely great, just great! I always said I'd never do a series, but this one I just couldn't resist.

You know, of course, that we're shooting the entire series at Three Forks, Mont., and that I play a social health worker appointed by the President to study the effects of tobacco on these Indians who've lived for years on this reservation.

IT'S A GREAT challenge for me. Why, I'd have taken this role even if they hadn't offered me 50 per cent of the action. It's going to be the biggest thing since that story about the mosquitoes and the Panama Canal.

Sure, a cigarette company is one of the sponsors, but that's the beautiful part of it. We already have done five shows and not once have we been asked to delete a line of dialogue.

Well, they asked me to do the commercials, and I didn't see any reason to turn them down. I have completely free rein with the copy. The other day I suggested to the agency man that I light the cigarette after giving the message, instead of before, and right away he agreed.

Incidentally, don't use that title "Crackdown" in your column. I think they're going to change it to "Mr. Wonderful."

The Producer

You've asked me what's going to be different about "Mr. Wonderful," and I'm going to tell you

right out. It's American life as it really is, and with real people.

In each episode we're presenting a microcosm of the whole American scene, not the way you have been seeing it in movies and on TV, but as it is lived by Crock Harrison — he's our star.

IT WILL HAVE warmth, freshness, conflict, honesty, excitement, heroism, love and the rebirth of American democracy. Oh, yes, and I almost forgot — humor. Not the kind of humor that comes from jokes, but the kind that derives from warm, fresh, honest and heroic situations.

Imagine yourself on an Indian reservation with the power of deciding which Indians are going to go on smoking genuine tobacco and which must switch to corn silk. Is there impact there, or not!

Network Executive

I believe that XYZ will have the finest array of talent and programs ever assembled on one schedule. We're going to present more documentaries, more entertainment shows and stars who have never done weekly television.

Just take Crock Harrison as an example. Not only has he never done television before, but we're putting him in a drama series which will add totality and balance to our entire schedule.

At XYZ we can modestly say that in the history of television there has been nothing to compare with "The Crock Harrison Show," and I'm including "Playhouse 90" when I make that statement.

What? "Mr. Wonderful"? Now why would we call it that when we have a star the caliber of Crock Harrison?

TONIGHT

7:30, KDKA, Portrait: Sen. Richard N. Russell discusses his life and philosophy as a public servant and a Southerner.

7:30, WJAC, WTRF, WHC, Virginian: "The Money Cage". A confidence man persuades a bank to display a million dollars to avert a bank run.

8, KDKA, TV Report: Host John Roberts accompanies Don Knotts to view the renaissance of Morgantown where the comedian was honored by his home town followers as part of the West Virginia centennial celebration.

9, WJAC, WTRF, WHC, Mystery Theater: "The Fugitive Eye", with Charlton Heston. Police accused a carnival performer of having hallucinations after he reports a murder for which no evidence can be found.

Hints from Heloise

— By Heloise Cruce —

Dear Heloise: Sewing is my hobby and over the years I have learned some shortcuts.

For years my sewing machine sat in the bedroom and was seldom used because of the trouble and bother of opening it to get ready to sew.

One day I decided to move all of my sewing equipment to our basement. It has turned out to be the smartest move I ever made. Those who do not have basements could use a laundry room.

The machine stands open and ready for immediate use at all times. The ironing board stands nearby and a ping-pong table is ideal for a pattern layout. Best of all... I no longer have to put anything away when I stop sewing!

As a result I find time almost every day to indulge in my hobby. It is amazing the amount of money saved by home sewing. But it isn't only the money but the boost to our ego is wonderful to find things are done.

MRS. D. J. KNAPP.
You could cover the machine with plastic to keep it dust-free between spurts!

HELOISE.

DEAR HELOISE. I paint the inside of a silver salt shaker lid with colorless nail polish.

When it is dry I take a pin

and reopen the holes from the inside out. It prevents rust and corrosion.

I attach one side of a large snap (or gripper) to the waistband of my aprons and the other portion of the gripper to the small edge of fingertip towels.

These may be snapped on and off easily and the apron or the towel can be washed separately as they become soiled.

MRS. JOSEPH PATTERSON.

DEAR HELOISE: Did you know that you can freeze meat slices on a cookie sheet and then place them in a plastic bag in the freezer and they will not stick together?

It works just like hamburger patties.

I froze sliced cooked ham and roast beef this way, and also raw separated bacon slices! No sticking at all.

SALLY HAYNES.

DEAR HELOISE: When I use food coloring (in the large bottles) my fingers always get stained, and the color is hard to remove.

I solve this by pouring the coloring into bottles that my baby's sample vitamins came in. These little bottles have an eye dropper and work wonderfully for this purpose. Just fill them

up with your food coloring, then use the dropper to measure.

JUDY HEYERLY.

DEAR HELOISE: For a quick and lumpsy gravy I keep a jar filled with a mixture of half cornstarch and half flour. I put three or four tablespoons full of this mixture in a jar and add some water and in a few seconds I have a smooth paste for all of my gravy.

MRS. A. R. HEINTZE.

Spanish Girl Speaks For Chester Kiwanis

Descriptions of Spanish life and customs were presented to the Chester Kiwanis Club Tuesday night at the City Hall auditorium by Miss Donna Chaney of Chester and her guest, Miss Maria Peydro of Alicante, Spain.

Miss Peydro has been visiting Miss Chaney and her family since May 24, and is slated to return home July 26. The Chester girl met her friend when she attended a summer school in Alicante last year. The Chaneys and their guest are visiting today at Washington.

They were introduced by DeMar Miller. About 18 attended. Albert Kell gave the invocation. The Rev. Donald Vogel, first vice president, was in charge.

Auto Mishap Injures Man

A 23-year-old Wellsville man was injured in an auto - pedestrian mishap Tuesday night at 8:15 on St. Clair Ave. at 6th St., but the motorist and the man on foot gave conflicting accounts of the incident, police reported.

Ronald Davis of the In-City Motel suffered an injury of the right leg in the mishap with a 1963 two-door sedan driven by James Pantoni, 22, of 439 Ohio Ave., Midland, officers said.

Pantoni took Davis to City Hospital for treatment, which the pedestrian declined, police said.

Pantoni told police he was making a turn at the intersection when he observed Davis in the street. When the pedestrian stopped, Pantoni proceeded, then heard "a thud," he told police.

Davis told police "the car just hit me." Clem Newitz, 409 Ohio Ave., Midland, a witness, told police the pedestrian walked into the rear of the car.

An auto was damaged in a hit-skip crash Tuesday at 11:40 p. m. at W. 3rd and Jefferson Sts., police reported.

Clara E. Webber, 38, of Hill Ave., told police she was driving west on W. 3rd St. when a car proceeding south on Jefferson St. hit her 1962 sedan and continued without stopping. There was damage to the right rear fender of the woman's car, police said.

Walter Burkemo of Detroit, former PGA champion, was only one stroke behind the leaders after the third round of the U.S. Open at Brookline. He finished tied for eighth after the four rounds.

U.S. Team Sets Medical Study Of Children 6 To 11

ASHTABULA, Ohio (AP)—How healthy are the nation's 25 million children between 6 and 11 years old?

A 12-man team of U. S. Public Health Service doctors and medical technicians set out today to find the answer to that question. In the next month, they will put 12 children a day through a rigorous three-hour examination.

They say the results will help determine what is normal growth, body development, physical capacity and general health of persons in that age group.

Robert Metcalf, operations manager, said the two-year study is part of similar surveys that will be made at 39 locations throughout the country. By 1965, some 8,000 children will have been examined, he said, and all the results evaluated.

About 185 children in Ashtabula County and neighboring Geauga County have been selected for tests here, the only ones slated for Ohio.

Fire Hits Plant

CLEVELAND (AP)—A fire of undetermined origin caused an estimated \$15,000 damage at the White Motor Co. assembly plant at 12814 Coit Road.

GOP And Rocky

Sen. Tower Attacks Governor

WASHINGTON (AP) — In the news from Washington:

REPUBLICANS AND ROCKY:

Sen. John G. Tower, R-Tex., views Gov. Nelson A. Rockefeller's attack on the Republican right as a "divisive statement." Tower, an avid supporter of Sen. Barry Goldwater for the 1964 GOP presidential nomination, said Tuesday that Rockefeller has been "taken in" by liberal braintrusts and others who he said want to sow dissension among Republicans.

The New York governor, also considered a leading GOP presidential hopeful, had charged that Goldwater's backers want to write off the big states in the North and East with large Negro populations and try to win with the electoral votes of Southern and Western states.

PUBLIC DEFENDERS: The House Judiciary Committee has cleared a bill to provide public defenders in federal courts for persons unable to pay for their own defense.

The measure, approved by a voice vote Tuesday, contains some but not all provisions recommended by the Kennedy administration.

It includes payments for the defenders of \$15 an hour while in court and \$10 an hour for work out of court with a maximum of \$500 for a felony and \$300 for a misdemeanor charge.

CUBA SHIPPING: The United States has rejected Spain's appeal to be exempted from penalties against shipping to Cuba.

As part of the economic campaign against the Castro regime, the administration has ordered that all ships carrying cargo to Cuba be barred from handling U.S.-financed shipments.

Richard I. Philips, State Department press officer, said that Madrid's ambassador, Antonio Garrigues, asked Friday that an exception be made for Spain's ships but was turned down.

In general, the State Department spokesman said, Spain has been cooperating in limiting air and sea traffic with Cuba.

Proceeding of the Courts

Common Pleas NEW ENTRIES

In the matter of the adjudication of the claim filed by Charles C. Shaffer by reason of the elimination of the existing grade crossing over Pennsylvania Railroad tracks on W. State St., Salem; agreed settlement submitted and approved.

Iris J. Grace vs. Arnold L. Grace; agreed entry finding defendant is delinquent in sum of \$397.50.

Peoples Federal Savings & Loan Association of Leetonia vs. William K. Tullis, et al; court finds for plaintiff from defendant Tullis for \$4,100.36; order of foreclosure and sale.

Mary Steffel vs. William Steffel; court finds there is a separation of parties in consequence of ill treatment and plaintiff allowed as her alimony the following — exclusive possession of property in Salem; \$30 per week alimony, but defendant may remove his clothing and his personal effects and any furniture purchased after the separation.

Director of Highways vs. Frank and Opal Bosco, Ashland Oil & Refining Co. and J. C. Fultz; director ordered to deposit with clerk an additional \$19,812.13 which, together with \$65,000, makes a total of \$84,812.12, which figure includes verdict of \$80,000 with interest from July 2, 1962, to June 29, 1963; highway easement over property described in resolution decreed to the state.

Post Office Rite Sunday Aired By Postal Auxiliary

Plans for the opening of the new East End Post Office Sunday were made at a meeting of the Ladies Auxiliary of the National Association of Letter Carriers at a winter roast Tuesday night at Thompson Park.

Mrs. Grace Brown exhibited first day cancellations to be sold at the new Post Office. Mrs. Amelia Wolfe, president, reminded members cookies for the event are to be taken to the Main Post Office by 4 p. m. Saturday. About 19 attended the meeting, at which Mrs. Ethel Poling, Mrs. Eileen Craven and Mrs. Gladys Martin were named to be in charge of a rummage sale Oct. 17-19 at the City Market Building.

Christmas cards were distributed for sale as a fund-raising project. The next meeting will be Sept. 17 at the Potters Savings & Loan Co. annex.

Largest 'White Room' Is Uncontaminated

CAMBRIDGE, Ohio (AP) — In what is believed to be the world's largest "white room" — 72,000 square feet in which temperature, humidity and dust are controlled rigidly to avoid contamination — electronic parts are prepared here for Minuteman intercontinental missiles.

Workers at the Radio Corp. of America plant where it is located wear smocks, caps and shoe covers and may not smoke, chew gum, eat or wear cosmetics while in the white room. Each must pass through a high-pressure air shower upon entering.

Legion Posts To Send Group For Sessions At Cleveland

Several members from three East Liverpool area American Legion posts are scheduled to attend the Ohio Legion convention Thursday through Sunday at Cleveland.

Registration will be held tomorrow and most plan to go Friday, when the main events start.

The delegates from Post 374 in East End are Robert Landfried, James Cregar, Robert Milne, Harry Dawson, James Wallover, Robert Poynter, Ray Cusick and John Long.

Delegates from Post 4 are Brian McKeever, George Shawke and Robert Osborn. The alternates are Ed Daily, Harold Taylor and Purl C. Smith.

The delegation from Post 70 at Wellsville includes William Powell, commander, Harry Excell and Donald Henthorn, delegates, and Joe Ammon, Earl Leughmyer and Frank Dysert, alternates.

The convention headquarters is the Hotel Sheraton - Cleveland. Lt. Gov. John W. Brown will address a joint Legion and auxiliary session Friday at 1:30 p. m.

The commander's ball will be Friday night at 9 at the hotel. Business sessions begin Saturday.

Junior and senior color guards will compete at 1 p. m. Saturday. Drill teams and firing squads compete at 3 p. m. and drum and bugle corps at 8.

Members of Columbiana County Vulture 273 attending the 40 & 8 convocation held in conjunction with the Legion session are J. V. Hughes of Wellsville, Dale Brenner of Hanoverton, James R. Hayden of East Liverpool and Milton Critchfield of Salem, delegates, and John Bartholow of East Palestine, Tom Crawford of Columbiana and Emerson Walker of East Liverpool, alternates.

The 40 and 8 parade will be held Saturday night at 11. Both the Legion and 40 & 8 hold elections Sunday. The legion parade will be Sunday afternoon at 3.

More Witnesses Due Defense In Counterfeit Case

CLEVELAND (AP)—More defense witnesses take the stand today as the trial of three Mahoning County men on charges of passing \$10 counterfeit bills in the Youngstown area last winter goes into its eighth day.

Tuesday Robert H. Armstrong, 19, who was indicted with the trio but pleaded guilty during selection of a Federal Court jury, testified for the defense.

On the stand for two hours, Armstrong said John Paladnich, 36, and his brother, Joseph Paladnich, 37, induced him to pass the bogus bills and John tried to get him to go to Columbus to circulate the phoney money. The Paladnich brothers pleaded guilty before the trial started and testified for the government.

Defendants are Nick Zappia, 48, and attorney Vincent Serman, 37. Lennie Strollo, 31, of Campbell, who formerly operated Lennie's Lounge near Poland.

Armstrong said Serman and Strollo never gave him any counterfeit money and he had never seen them in possession of any. The Paladnich brothers testified earlier that Strollo and Serman supplied the bills.

When you are poaching fresh peaches, you may use a medium syrup — one cup of sugar to two cups of water.

During Board Meeting

Committee Heads Named For Wellsville's Jaycees

Chairmen for five committees, including the annual Jaycee Week celebration in September, were appointed by Richard K. Kavan, president, at a meeting of the Board of Directors of the Wellsville Jaycees Monday night at the Jaycee Hall.

Bill Miller and Jerry Russell will serve as co-chairmen for the Jaycee Day observance held on Labor Day.

In conjunction with the celebration, Walter Henthorne will be parade chairman. Dan MacLean will be in charge of arranging a band concert and Robert Delpos will set up a football game. Thomas Reed and Robert Keeler will be in charge of a dance.

Other committee chairmen named were: Tom Reed, ways and means; Henthorne, publicity and membership; MacLean, social events; and Russell, records and recognition.

Kavan announced Robert Wilkinson, a director, has been transferred to Circleville. His replacement will be announced at the next meeting.

Miller reported on a Chamber of Commerce meeting he attended June 26. He said the Chamber is reorganizing and has requested a list of former Jaycee members so they may be contacted in a membership campaign.

Miller said the Chamber will attempt to acquire enough material by next summer so the Jaycees can erect flower holders along

Youth Denies City Burglary

A 15-year-old youth was bound to the Grand Jury following a preliminary hearing Tuesday morning in Municipal Court for an alleged burglary of the Caplan Scrap Yard on the River Road.

Judge Samuel M. Chertoff ordered Charles E. Weyand of Dale St. held on the breaking and entering charge. He set Weyand's bond at \$1,000.

The defendant, represented by Atty. William E. Foulks, pleaded innocent.

Found in a car in the vicinity of the scrap yard, Weyand was taken into custody by Patrolman Paul A. Burson shortly after the burglary had been discovered by Patrolman R. J. Brooks.

Police said two large burglars containing assorted copper and brass, two five-gallon cans containing gasoline, and an undetermined amount of coins were stolen in the burglary.

A series of other items taken from the office, where desks and storage cabinets were ransacked, were left inside the fence, officers said, indicating the intruder apparently planned to return later for the other loot.

The bags of copper and brass and the cans of gasoline were recovered.

\$3,418 Given County From 3 Minor Courts

LISBON — A total of \$3,418.55 was paid to the county treasury by the three minor county courts during June, according to Clerk of Courts Carl L. Stacey.

A breakdown shows \$2,058.38 in fines from State Highway Patrol cases and \$1,360.17 from civil cases and court costs.

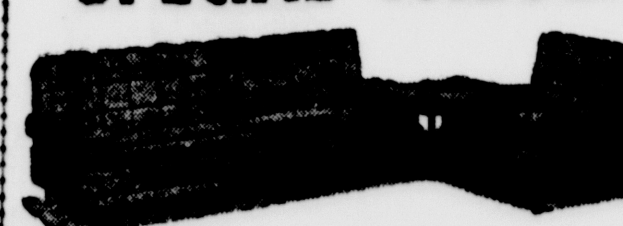

The state treasury received \$1,360.36 for its 45 per cent of the patrol fines and \$47.50 from other fines was paid to the state.

The courts at Salem, East Palestine and Lisbon handled 197 criminal cases and 64 civil actions during the month. Sheriff, constable and city police fees amounted to \$222.30.

Killed In Collision

CAMBRIDGE, Ohio (AP)—Alta Duff, 48, of Cambridge was killed late Tuesday night in a two-car collision on U.S. 40 just east of here. Injured in the crash were Paul Duff, 48, of Cambridge and the driver of the second car, Ernest Bradford, 42, of Cambridge in Illinois.

Hookstown Fair To Open Aug. 21

The 12th annual Hookstown Fair will be held Aug. 21-24 at the grounds on Route 148 near Hooks town.

Commercial exhibits and free entertainment are scheduled each night. Home-cooked meals will be served in the Grange dining hall. Parking and admission will be free.

Fair board officers are Chester F. Elliott, chairman; Thomas C. Glenn, vice chairman; William B. Stewart, secretary; and Robert A. Lyon, treasurer.

Members of the board are: Early Crooks, Harry N. Shand, William H. Thompson and Raymond H. Seagriff.

Teachers Have Roles In Steubenville Event

Two area teachers will serve as narrators for sections of a children's story-telling program to be presented Friday afternoon at Steubenville by members of the Children's Literature class of the English Department at the College of Steubenville.

John E. Yedgenak of Chester, an instructor in the East Liverpool system, will narrate "The Mouse Bride," a story from Finland.

Jane Murray of Wellsville, an elementary instructor, will narrate "The Righteous Penny," a story from Norway.

A total of 11 fairy tales will be presented and dramatized in costume.

Port Council Opposes Pilotage Fees Boost

CLEVELAND (AP)—The Council of Lake Erie Ports says it is opposed to any raise in pilotage fees, a move proposed by the U.S. Commerce Department to increase the number of pilots serving the Great Lakes.

The action was taken Tuesday at the council's directors' meeting, during which Richard Elkington of Sandusky was named chairman of the Membership Committee.

Draft Call Set At 16

LISBON—Columbiana County's quota for the August draft call in Ohio will be 16, it was announced Tuesday by State Selective Service headquarters in Columbus. The statewide quota is 1,065, highest for the year. In August 1962, 378 men were drafted.

Inquest Due To Start In Gold Slaying

CLEVELAND (AP)—Cuyahoga County Coroner Samuel R. Gerber was ready today to open his inquest in the Mervin L. Gold murder case as a search continued for a key witness.

Dr. Gerber indicated Tuesday night that Gold's widow, Lily, 50, Police Chief John Vondrasek, racketeer Alex (Shondor) Birns and Gerber himself probably will testify today.

The missing witness is Allene Leonard, 24, a Garfield Heights second grade teacher who has been absent from her home since early Monday morning.

The coroner said he has been unable to serve a subpoena on the slim brunette, an alibi witness for Birns.

Birns after he gave himself up for questioning about the slaying of the 33-year-old financial manipulator as Birns' alibi witness for July 5—the night Gold was killed.

She has told authorities she was with Birns in a suburban restaurant until 10:30 of the night of the Gold slaying. Mrs. Gold said her husband left their fashionable \$70,000 suburban Pepper Pike home that night to see Birns.

Gerber said that Miss Leonard has not shown up when all inquest testimony is completed, he will recess the inquest, reconvening it whenever she is located, even though she stays away a month.

Gold, twice convicted in connection with his twisted financial dealings, had left with his wife sealed affidavits with instructions to turn them over to federal authorities if he met with foul play.

The affidavits connected Birns with stolen Canadian bonds. Birns surrendered to authorities last Thursday but denied any knowledge of Gold's death or the stolen bonds. He was released from jail Friday night on \$50,000 bond.

Gerber ordered the inquest after a half-hour interrogation of Birns in which, he said, Birns insisted he had no information to give about the Gold murder.

Farmers In Hancock Reminded On Reports
Hancock County farmers who have completed conservation projects approved earlier this year under the 1963 Agricultural Conservation Program have been reminded to file their reports on performance for cost-share assistance.

Carl R. Allison of Chester, chairman of the county ASC committee, said that the earlier such reports are made on completed practices, the sooner the assistance payments can be issued.

This will permit the farmer to meet the expenses incurred in carrying out the practice and if he has other projects approved for completion this fall, the cash payments can help in getting the additional conservation underway, Allison said.

Ohio Paratroopers Train In Mountains
KINGWOOD, W. Va. (AP)—Reserve paratroopers from Ohio units in the Army Reserve 2nd Special Forces are taking part in jumps into a remote mountain drop zone near here as part of their 15-day summer training tour.

Seventy-two Reservists jumped Tuesday night, 60 more are scheduled to jump tonight and 32 are to follow Thursday night. The rest of their summer camp will be simulated guerrilla training in the wooded region 25 miles east of Morgantown.

Draft Call Set At 16
LISBON—Columbiana County's quota for the August draft call in Ohio will be 16, it was announced Tuesday by State Selective Service headquarters in Columbus. The statewide quota is 1,065, highest for the year. In August 1962, 378 men were drafted.

Club Hears W. D. Darling

State Education Official Explains Role To Rotary

Operations of the State Department of Education, which administers the directives and policies of the State Board of Education, were discussed by W. D. Darling of Columbus at the Rotary Club's noon luncheon meeting Tuesday in the Travelers Hotel.

Darling, assistant superintendent of public instruction, and T. V. Utterback, who was a guest, surveyed the East Liverpool School District and filed a report in which they recommended construction of a new high school.

The work of the department sometimes is misunderstood, as it is correlated with the State Board of Education, and has certain regulatory authority, Darling said.

The department is the administrative unit and organization through which the policies, directives and powers of the state board and the duties of the superintendent of public instruction are administered.

Services of the department are grouped in three broad areas, each of which is under the supervision of an assistant superintendent.

Utterback is chief of the school building planning section, which provides consultation service in school building planning and administers the state assistance program. The section is the watchdog of school funds advanced to districts on a strict priority basis, according to need and amount of local expenditure.

The school building planning section began functioning in 1951, when the State Legislature appropriated \$2 million to assist the poorest school districts with building construction, Darling explained.

The appropriations program has continued and the section was developed to include a chief and supervisors. Formerly one man was in charge.

The funds are dispensed on a strict priority basis — "no pie in the sky," Darling said. Applications are filed by the district wish-

ing to expand or improve and field workers from the State Department of Education then look over the district, making recommendations and listing alternatives regarding new buildings.

The local district then votes bond issues up to 9 per cent of its tax duplicate and the revenue is carried in a separate Board of Education fund, with the state adding funds as needed in the building program.

"There are complaints of red tape, but we have to have safeguards so that the money is not fooled away," Darling said.

Two years ago, the superintendent of public instruction made available field workers experienced in bonding programs and school finance for consultation service, directed to building needs alone, Darling said he hopes the consultation service can be enlarged.

While the State Department of Education and the State Board of Education have a wide range of authority, the key posts in education are held by those elected on the local Boards of Education.

"That is where the real power in schools is, in the elected officials," Darling said.

He also discussed various functions of the department, including its operation of schools for the blind and deaf, vocational rehabilitation programs and other special education programs.

Responding to a question, Darling said "the day will come when master's degrees are required of teachers in secondary education."

"This is around the corner for Ohio, but I don't know how far away the corner is," he said.

Darling is a major in the Army Reserve and former resident of Crooksville. He has been with the Department since 1951. Robert F. Beatty, program chairman, introduced Darling and Utterback, and Supt. Paul Blair of East Liverpool and Supt. C. P. Henderson of Stanton Local. Ben E. Warner, former city councilman, also was a guest.

Dr. R. Jay Kinsey reminded members of the third annual golf stag July 26 at Alliance Country Club. Reservations are to be obtained from Dr. Kinsey by July 24.

Water Supply Step Cleared At Salineville

SALINEVILLE — A group of Monroe Heights area residents seeking adequate village water service was granted permission to install a pump and reservoirs at a meeting of Council Tuesday night.

About 1,000 feet of 2-inch water main was installed by the residents recently in an effort to improve the supply for their homes, but the pressure was insufficient. The installation of a pump had been proposed previously, but was turned down by Council as a village project.

At last night's meeting, the residents — headed by Dr. J. M. Nedelkoff and Eugene Webster — were given permission to install a pump for the main and to provide reservoirs at their own expense.

Other residents of Monroe Heights whose homes are closer to the main part of the village installed reservoirs when their homes were built and are close enough to have sufficient water pressure.

Council also discussed the announced increase in rental for the police cruiser by the Hart Motor Car Co., but took no action.

The firm said the rental will be boosted from \$120 to \$140 a month effective this month, but granted a month's extension of the previous charge while Council studies whether to continue renting or some other means of providing a cruiser.

The matter is to be discussed further at the July 29 meeting after various cost estimates on cruisers are obtained.

Salineville GOP Club Plans Election Friday

SALINEVILLE — Election and installation of officers for the newly-organized Salineville Republican Club is slated for a meeting Friday night at 8 at the home economics room of the high school, Donald Lewis, publicity chairman, announced.

Discussion will also be held on a slate of candidates for the Nov. 5 general election. Allen Allmon is temporary chairman.

Mrs. Blanche Baker is chairman of the nominating committee which will file a list of candidates for the group's officers.

Wellsville Plans Costume Parade

A Civil War costume parade to give impetus to the Centennial observance next week in Wellsville will be held Sunday at 2:30 p. m.

Members of Civic groups, children and anyone interested and dressed in appropriate costumes may participate in the parade, which will start in front of the Carnegie Library, proceed up Riverside Ave. to 5th St. and down Broadway.

Mrs. Isabel Hart, costume chairman, announced that a few articles of apparel of the 19th and early 20th century will be available for rental at a nominal fee at the River Museum Friday night at 7:30, when the Wellsville Historical Society will meet.

There are three complete outfits for women with small waistlines, frock coats, a night gown, night cap and assorted items.

City May Get Fire Pumper By Next Week

A new 1,000-gallon fire truck tentatively is scheduled for delivery next week, Safety Service Director Robert Owen said today.

Owen said the Seagraves Corp. of Columbus has not pinpointed the actual date when the \$28,915 pumper will be turned over to the city.

The Columbus firm received the contract in mid-December on the basis of bids opened Nov. 28.

Five offers ranging up to \$35,335 were received. Council authorized a \$30,000 bond issue last October to finance the purchase.

The Seagraves concern had told Owen and Asst. Fire Chief Alfred Van Dyne during an inspection trip they made in May to Columbus that work on the truck was

a few days behind schedule, but still the firm anticipated making delivery by July 4.

The new truck can pump 1,000 gallons a minute.

It is built to the city's specifications with a 6-cylinder, 300-horsepower motor. It will replace a 32-year-old Seagraves pumper.

Fair Forms Mailed

LISBON — Entry blanks have been sent to all 4-H members who have animal projects — except steers — for use if they intend to enter show cattle at the County Fair Aug. 22-28, according to Tom Rudebeck, assistant county 4-H agent. Entries must be postmarked by Aug. 14 at 5 p. m. Further information is available at the extension office, 113 S. Market St., Rudebeck said.

When Davis Love Jr., 28, of Charlotte, N. C., shot an opening round par 71 in the US Open at Brookline he had 11 one-putt greens.

Love Of Beauty Led Him To Rail Splitting

ANDERSON, Mo. (AP) — Joe Reed's love of beauty led him to revive an almost forgotten skill — rail splitting.

"So far I've split out and laid up 130 rails," said Reed, who

started the project because he decided the valley where he has a 63-acre farm near here "would be a lot prettier if I had a rail fence across the front."

His only concession to modern times is to use a chain saw to cut logs into nine-foot lengths. Then he splits the logs into rails with an ax.

New Word In Racial Vocabulary

Resegregation Noticeable In For Large U.S. Cities

School segregation has been giving way gradually since the 1954 Supreme Court decision. Token integration is the rule in much of the South where changes have been made. But in some cities, another word has been added to the racial vocabulary: *resegregation*.

By DON MCKEE

Associated Press Staff Writer
Changes in racial patterns have completed the cycle in some cities—going from segregated to desegregated schools, then back to segregation.

This reverting, or resegregation, is noticeable in Washington, D.C.; St. Louis, Mo.; Miami, Fla., and Nashville, Tenn.

One of the major reasons is the population shifts. White residents moved out as Negroes moved in. Washington schools lowered racial barriers without trouble in 1954. Virtually all the schools had racially mixed student bodies.

Negroes then were in a slight majority. Now they comprise 83 per cent of the enrollment and a majority of the teaching staffs. A massive population shift followed.

From 34 per cent Negro in 1950, the capital went to 54 per cent in 1960 and an estimated 57 per cent now—the only major U.S. city with a Negro majority.

White residents have moved to the suburbs. Negroes have stayed in the city, joined annually by thousands of migrants from the South. Negroes are unable to obtain housing in most of the surrounding Virginia and Maryland suburbs.

Nashville's resegregation is attributed to population shifts by Reed Sarratt, executive director of the Southern Education Reporting Service, which studies school integration.

However, a sociology professor, J. Kenneth Morland of Lynchburg, Va., said in a recent report that Nashville's pupil assignment policy also figured in the situation.

Morland said the policy allowed "those children assigned to a school in which they were in a racial minority to transfer to the nearest school in which their race is in a majority."

In St. Louis, a city of 800,000,

the resegregation issue has spawned an intensive campaign among the 225,000 Negroes to halt the practice of transporting Negro pupils to predominantly white schools.

The main objection of the Negroes is that students taken by bus from a predominantly Negro school are kept in the same class groups that they were in at their home school, although they take part in all other aspects of school life.

Some white and Negro parents last month stopped 12 buses from leaving loading points as the dispute simmered. The school board has denied charges of resegregating the schools.

St. Louis' Negro population increases; the white population decreases as suburbs grow.

A biracial committee, trying to settle the dispute urged elimination of the bus shuttle or complete integration of the schools to which the Negroes were transported.

The school board, pledging a policy of maximum integration, said school districts "which were well integrated in the mid-1950s not only have become predominantly Negro but have become oppressively overcrowded—as a result of population shifts."

That was the situation at Orchard Villa School in Miami.

"The exploding Negro population in Miami needed housing and instead of moving into new homes, they simply moved into houses which white persons had occupied near the school," said Robert Saunders of Tampa, a field secretary for the National Association for the Advancement of Colored People.

"This brought a heavy Negro population around the schools."

Shifting population changed a white school into a predominantly Negro school in Charlotte, N.C. Negroes themselves have in some instances resegregated schools by withdrawing from predominantly white schools. This happened in Ozark, Ark., and to some extent has occurred in Nashville.

The population moves appear to be the main factor, Saunders said. "This is one of the reasons the NAACP must dedicate itself to better housing opportunities."

Florida Pair Win Powder Puff Derby

ATLANTIC CITY, N.J. (AP)—Mrs. Virginia Britt of Fort Lauderdale, Fla., has brought home a winner in her first race as a pilot in the Powder Puff Derby.

Mrs. Britt and her copilot, Mrs. Lee Winfield of Miami Springs, Fla., were declared the winners in the 17th annual coast-to-coast race for women fliers Tuesday night after the last of 45 competing planes finished their flights here.

Standings in the 2,500-mile race, which started in Bakersfield, Calif., Saturday, are determined by a formula involving the average speed of the plane and a "par speed" handicap based on the performance capability of various makes of aircraft.

The Florida plane and nine others landed here Tuesday, joining the 33 arrivals of Monday.

There was severe disappointment for blonde Judy G. Wagner of Palos Verdes Calif., who soloed in Monday and took the unofficial lead by a small margin.

Mrs. Wagner, a former Cleveland, Ohio, resident who learned to fly in Sandusky, Ohio, was disqualified in the final standings, however, for an improper turn at the La Junta, Colo., airport, one of the early stops in the race. She turned left instead of right, race officials said.

Complete official tabulations were to be made known later today.

Boy, 16, Killed Under Roller Coaster Wheels

YOUNGSTOWN, Ohio (AP)—Idora Park says the 16-year-old youth killed under the wheels of a roller coaster Tuesday night was the first accidental death there in 10 years.

The victim, Richard Nelson of New Castle, Pa., fell about 25 feet as the ride neared the end of its run. Police said 18 witnesses agreed Nelson and some boys with him had been clowning during the ride.

Goodrich Company Reports Record Sales

AKRON, Ohio (AP)—B. F. Goodrich Co. today reported record first half sales of \$411,202, a 13 per cent increase over the corresponding year-ago total of \$406,108.534.

Net income of the rubber firm in the first half rose to \$14,034,239, or \$1.53 share, compared to \$14,066,266 and the \$1.53 a share in 1962's first half.

Cleveland Firms Discuss Merger

CLEVELAND (AP)—Managements of Addressograph - Multigraph Corp. and Charles Bruning Co., Inc., announce they have discussed a possible merger of the two firms.

The announcement Tuesday said discussions have been on the basis of six-tenths of a share of Addressograph - Multigraph common stock for each share of common stock of Bruning. It would be a \$72,000 transaction, based on current stock prices.

Bruning, which is located in Mount Prospect, Ill., manufactures facsimile or office copying machines. Cleveland - based Addressograph - Multigraph would operate Bruning as a separate division.

Before the merger is concluded, it will be necessary to have approval of the boards of directors of each company. Any agreement approved by them would be presented for approval to shareholders of each company.

Portage, Trumbull Ask Aid On Drought

RAVENNA, Ohio (AP)—Portage County and Trumbull County to its east have asked Gov. James A. Rhodes to declare the counties drought disaster areas. Geauga and Ashtabula counties, to the immediate north, made similar requests earlier this month.

Dairy farms, which are numerous in the area, face hardship in feeding stock through the coming winter because lack of rain has ruined the hay crop. The result was that hay, which would have been stored for the winter, is now being consumed for feed.

Having the counties declared disaster areas would enable farmers to use soil bank land for hay and forage crops and would provide funds to enable them to buy winter feed supplies at reduced rates.

Ohio Man Convicted In Weapon Incident

CHARLESTON, W. Va. (AP)—Thomas R. Heischman of Worthington, Ohio, has been convicted of brandishing a deadly weapon in an incident following a minor traffic accident on the West Virginia Turnpike.

Police said a truck driven by Ed Snauffer of Beckley struck a mirror on Heischman's oncoming semi-trailer Tuesday. The two vehicles stopped and Heischman told Snauffer he was going to call state police, then pulled a gun on Snauffer. When Snauffer began to leave, police said, Heischman chased him and fired six shots, none of which struck Snauffer. Heischman was arrested at the Chelyan interchange. He was fined \$57.

Keep In Trim

By IDA JEAN KAIN

Men More Prone To Gain Weight

The current pattern of weight increase with birthdays is different for men and women. Men put on most of their excess pounds in their twenties and thirties. The average woman gains more of her excess weight after age 35.

Insurance statistics reveal that about half of all men in their 30s are 10 per cent above their desirable weight and one-quarter are 20 per cent above that weight. For women, the proportion above desirable weight is lower than for men at ages under 40, but higher than for men above age 50.

During the past generation, men have gained in weight in their 20s and 30s, while women of those ages have reduced. One homemaker, concerned about her husband's continually expanding belt-line, writes:

"MY HUSBAND is getting heavier and heavier! I have tried repeatedly to get him to eat less, but he laughs and says he's happy and feels fine. I have succeeded in bringing my weight down 20 pounds. I feel wonderful. The children weigh less too. But my husband remains blithely unconcerned. What steps should I take?"

"He's only 32, but he weighs 230 now. He weighed 175 when we were married. Then he was lean and muscular, and right weight. I know that other wives have this same problem. Won't you help us?"

What steps to take? Take him to your family doctor. While your husband may be inclined to make light of all that added poundage, the doctor will take a different view. There is statistical evidence to prove that there are many diseases which occur with far more frequency among individuals who are obese than among those of ideal weight.

Extra pounds add up to fewer years of life. The excess mortality rises more than proportionately as the degree of overweight increases. Above the age of 35, mortality increases about 1 per cent for every pound over normal weight for height. These figures do not lie.

Now the important question: Will reducing the overweight increase a person's chances of longevity? The answer is yes. Newer evidence on life insurance statistics shows that weight reduction has a definite, favorable effect on mortality and longevity.

BUT AS every wife knows — there is nothing that takes the starch out of man like the thought of dieting. The emphasis should not be on dieting, but on eating for weight control. Good food need not be overly fattening.

The first place to cull extra calories is in the kitchen...learn to cook with fewer calories. By this plan it is far easier to keep weight at normal level after excess pounds are lost.

Send a stamped, self-addressed, long envelope for "Mr. and Mrs. Reducing Plan." Address your request to Ida Jean Kain, in care of The Review. Postcard requests cannot be answered.

Group To End Raft 'Cruise' By Saturday

Fourteen Boy Scouts and four adults from Pughtown shoved off from a camp site above New Martinsville Tuesday on their third day of a raft trip down the Ohio River as part of their activities marking the West Virginia Centennial observance.

Aboard a 20-foot square raft constructed on a dozen steel drums, the group is expected to reach Huntington by Saturday. They will make the return trip

in cars following the raft on highways along the river.

Elmer Mercer, scoutmaster, is in charge of the trip, which has been sanctioned by the Coast Guard. Other adults aboard the raft are Leonard Cameron, acting as life guard; the Rev. Gerald Deitch, pastor of Pughtown Presbyterian Church, and Ray L. Mitchell. Rev. Deitch is chaplain.

Mothers of the boys are following in cars and cook breakfast and dinner along the way. The scouts travel in the daytime and make camp along the river bank at night.

They shoved from a dock in Chester Sunday morning at 8:15 and nearly all were drenched by

heavy showers. They reached Steubenville by noon.

The boys on the trip are second class Scouts and all have a merit badge in swimming. The trip is sponsored by the Pughtown volunteer fire department.

Youngsters aboard the raft are Larry Mitchell, Dennis Wilfong, Greg Crow, William Ferguson, Frank Ferguson, Dean Westfall, James Beaver, William Strum, Lee Mercer, Glen Greathouse, Phillip Hudock, Lester Gatjka, James Fryer and Ralph Louk.

Mrs. Deitch, Mrs. Mercer, Mrs. Ray Mitchell and Mrs. Arley Westfall are accompanying in cars.

Boy 'Samaritan' Feeds Meters As Aid To Motorists

Police Lt. W. E. McDaniel Tuesday uncovered the story of a boy who has cast himself in a "Good Samaritan" role, putting his own money into parking meters when he sees a red "violation" flag showing.

The officer discovered the 12-year-old W. 5th St. boy placing a nickel in the meter at which his auto was parked. Lt. McDaniel explained he had spent most of the morning in a long court session and the time on his meter had expired.

"And the 'Meter Maid' was ap-

proaching, ready to give me a ticket!" he said.

Questioning the boy, Lt. McDaniel learned that he makes it a practice to insert coins in meters whenever he sees a "violation" through the business district.

"Too many kinds are trying to figure ways to get coins out of the meters, but this boy is using his own money to help people he doesn't even know," the officer commented.

Some cooks like to add a quarter teaspoon of cream of tartar to a pie meringue that calls for egg whites and six tablespoons of sugar. The cream of tartar should be beaten with the egg whites before the sugar is completely dissolved.

Midland St. Anthony's Club Names Officers

Rudy Presutti was re-elected president of the Midland St. Anthony Club at a meeting in the club rooms Sunday.

Other officers named were: Anthony Pantoni Jr., first vice president; John Uccellini, second vice president; Anthony DiCicco, third vice president; Tony Nutz, treasurer, and Dan Zuppe, recording secretary.

Named as trustees were Ray Presutti, Joe Pichelli, Augie Matteo, Rocco Orlando, James Fieni and Mario Ulizio. The terms all are for two years. Next meeting will be Sunday.

Bringing Up A Family

By GARRY C. MEYERS

Home Courses Have Many Advantages

Any person who cares to keep on learning can do so if he has ambition. While of public age, he can attend the local free schools. At the college level, he may be able to attend a local college or vocational school at relatively little cost.

If he has the money and the brains he may attend a college. Dr. Garry Meyers lege of his choice practically anywhere. As a rule, any person may do better attending regular classes than studying through a correspondence course.

But no school within a person's physical or financial reach may provide the special kind of courses he desires. Or, having dropped out of school or college for various reasons, he may find it desirable to pursue a course by mail.

IF HE HAS a job he does not wish to give up, or feels the need of more learning related to this job, or wishes to improve his talents along the line of his special interest while working, there may be great opportunities for him to learn at home through one or more courses by mail.

There's the girl, married or unmarried, whose high school course has been interrupted by pregnancy, maybe in her junior or senior year. She may complete her high school work and earn

graduation through a home study course offered by her state university or some other institution whose credits are honored by her high school.

Home study courses are especially suited for busy working people who wish to improve their knowledge and skills and have the character to work hard at these courses. It does take a lot of self-discipline to do lessons by mail promptly and faithfully.

WITH HOME study, you do not need to give up your job or lose income. The school comes to you and you work at your own pace. You may study courses you can't find locally.

Older adults do not have to compete with younger persons fresh from school. Retired couples may learn new vocations or hobbies.

You may find the "Home Study Blue Book" at the office of your high school principal or guidance counselor, in your personnel manager's office where you work or at your local library.

You want to be sure the correspondence school whose courses you are considering is dependable and has educationally approved standards.

Therefore you should write Dr. David A. Lockmiller, Executive Secretary, Accrediting Commission, National Home Study Council, 1601-18th Street, N.W., Washington 9, D. C. and ask for the Directory of Accredited Private Home Study Schools.

Driver Receives 60-Day Sentence

A Wellsville man, sentenced to four months in jail Monday for driving a car while his license was revoked, was sentenced to an additional two months Tuesday by Municipal Judge Samuel M. Chertoff, who said the fines decreed on the three original other charges were illegal.

George Crawford, 1106 Crawford Ave., was given 30 days each on charges of failing to apply for a certificate of title and driving without a certificate of title.

However, Judge Chertoff said the terms could be served concurrently with the four-month sentence imposed yesterday.

The judge also withdrew a fine of \$10 and costs for failing to display license plates and raised the penalty to \$50 and costs.

When Crawford pleaded guilty Monday, Judge Chertoff had fined him \$10 and costs on each of the charges in addition to the jail term.

He's Almost Stranger In Own Home Town

MIAMI — "Do you speak English?"

Joyce Williams, restaurant waitress in this Cuban refugee-packed city, assured the man she did.

With a relieved look he sat down and studied the English-language menu.

"First two places I went, everything was Spanish," he said.

Hearings Due Friday For 2 In Entry Charge

A second continuance was granted Tuesday in Municipal Court for two men accused of attempting to burglarize a home on Dresden Ave. Ext.

Judge Samuel M. Chertoff scheduled a trial Friday morning for Frank M. Duncan, 27, of 1235 St. George St. and James E. Buzzard of R. D. 2.

The two were arrested by police five minutes after Patrolman Paul E. Carter discovered the attempted breaking and entering of the home of Margaret Bailey on July 7.

Originally scheduled for hearings last Thursday, a continuance was granted until yesterday at the request of Atty. George Aronson, defense counsel. Both have pleaded innocent.

Man Wins Dismissal Of Larceny Charges

A petty larceny charge against Paul A. Higgins, accused of stealing seven pairs of women's hose from the J. C. Penney Co. store, was dismissed Tuesday in Municipal Court.

Asst. Solicitor Richard J. Clark recommended dismissal of the charge filed against Higgins, who has no permanent address, by Patrolman William A. Devon on July 9. The officer said he spotted Higgins walking through Diamond Alley with the hose concealed under his coat.

THE REVIEW VACATION PAK

NEARLY EVERYONE IN THE TRI-STATE AREA HAS ORDERED THEIR REVIEW VACATION-PAK HAVE YOU?

Step Planned In Bond Issue

Auditor Lawrence C. Applegate and Solicitor Joseph W. Cooper will go to Cleveland Friday, where the auditor will sign and deliver 260 new mortgage revenue bonds in a program to refund \$1,240,000 in bonds issued in 1956 and 1957 to finance the sewage disposal system.

When Applegate finishes the big bond-signing task, the securities will be turned over to the Union Commerce Bank, which will act as trustee.

The bonds are chiefly of \$5,000 denominations with a few of \$1,000.

Council approved the refunding program June 17 after a representative of Fahey, Clark & Co., Cleveland investment firm, promised the city will save \$54,338 in interest charges.

The plan calls for proceeds from the sale of the new issue to be invested temporarily in U. S. Government Bonds because the present bonds cannot be called until Dec. 1, 1966.

At the end of 1966, the proceeds from the investment in government bonds will be used to retire the obligations issued to pay for construction of the sewage disposal plant and interceptor sewers.

The procedure will save the city at least \$2,500 a year in interest charges over the 25-year life of the issue, Council was told.

How Can I?

By ANNE ASHLEY

Q. How can I make a good and thorough job of cleaning brass?

A. One good cleanser is oxalic acid. Apply with an old dishcloth or a cloth on a stick, and be sure to wear rubber gloves while using, and don't splash it on your skin or clothes! When completely dry, it will turn white, and that's the time to wash it off with a wet cloth. Polish the metal with a soft, dry cloth.

Q. Is there an easy "dry-cleaning" method I can use on my gloves at home?

A. Make a mix of fuller's earth and powdered alum. Lay the gloves on a table and apply the powder to both sides of them with a brush, then wipe off. Cover the gloves with dry cereal, such as cornmeal, and then brush off.

Q. How can I silence squeaky shoes?

Try piercing several small holes through the sole, just in back of the ball of the foot.

People In News

HOLLYWOOD (AP) — Actress Kim Novak remained silent about romantic rumors as she arrived in Hollywood after a six-month movie-making stay in Ireland. Asked if she planned to marry Roderick Mann, London columnist, she said: "That's a personal thing with me. Roddy will be coming to the United States soon."

NEW YORK (AP) — Jill Ellen Elizabeth Kolmar, 20, daughter of Producer Richard Kolmar and Dorothy Kilgallen, newspaper columnist and television personality, took out a marriage license Tuesday in New York City with Lawrence Arnold Grossman, 24, television music coordinator.

MILAN, Italy (AP) — Dr. Albert B. Sabin, polio expert and director of the Children's Research Foundation of Cincinnati, Ohio was reported fully recovered to-day after becoming ill while lecturing in Milan, Italy, Tuesday night.

Ohio 5-Day Forecast

NORTHERN OHIO — Temperatures will average one to three degrees above normal. Normal high 82-88, normal low 61-66. Warm through Friday, cooling off a little Saturday, rising temperatures again Sunday and Monday. Rainfall will average near three-fourths of an inch in showers and thundershowers daily except Friday and possibly daylight hours Saturday.

SOUTHERN & CENTRAL OHIO — Temperatures will average near normal. Normal high 84-88, normal low 62-67. Minor changes through Monday. Rainfall will average around one-half inch in scattered thundershowers mainly about Thursday or Friday.

Insurance Figure Dies

TOPEKA, Kan. (AP) — Harold O. Chapman Sr., president of National Reserve Life Insurance Co. since 1943, died Monday. He was a founder and president in 1919 of Policy Holders National Life Insurance Co., Sioux Falls, S.D. which merged with National Reserve Life.

Broker Dies At 92

BINGHAMTON, N.Y. (AP) — Charles E. May, 92, an official of May Brothers, newspaper brokers, died Monday after collapsing on a street. He had been operating the business with his brother, James since 1910.

NEW MIDLAND TRUCK. Councilman Ray Presutti, second from right, presents the keys to Midland's new sanitation department truck to Louise Granito, street foreman. George Milani, far left, represents the Truck Equipment Co., from which the truck bed was purchased. The truck was purchased from Midland Auto Sales for \$9,414. At right is Councilman Bill Shovlin. The borough now has five trucks in operation for garbage and refuse pickups.

Firecracker Burns Woman; Area Mishaps Hurt 10 More

A city woman burned by a firecracker tossed at work was among 11 area adults and youngsters treated at City Hospital Tuesday.

Margaret Gibbs, 713 Avondale St., an employee of the Taylor, Smith & Taylor Co., was treated at 6:30 p. m. for burns of

Wellsville, received a cut of the chin in a fall from a bike.

Brenda Morrison, 2, daughter of Raymond Morrison, 1909 Harvey Ave., was treated for an injury to the right foot received in a fall from a bicycle.

William Rhodes, 2, son of Arthur Rhodes, 701 Armstrong Ln., suffered burns of the abdomen on an iron at home.

Kimberly Sue Conkle, 4-month-old daughter of James Conkle, 516 Florida Ave., Chester, received a cut of the eyelid when she bumped against a cart.

David McDonald, 13, son of David McDonald, 1631 Holliday St., was treated for a cut of the left knee received in a fall.

Mrs. Mabel Dorsey, 2106 Pennsylvania Ave. Ext., suffered an insect bite on the right leg as she entered a grocery store.

Mrs. Betty Hyde, 728 Oak St., received an injury of the left knee which twisted as she was walking on the street.

He Knows His Fishing Partner's Tackle Well

MIAMI — Robert Meeks knows his fishing partner's tackle pretty well. In fact, he can spot it 10 yards away, and on a cloudy day.

Meeks was fishing in the Everglades when he saw a brass handled fishing knife being used by another fisherman, on down the river.

Meeks, sure it belonged to his friend, Carl Dennis, summoned a sheriff. Dennis got back his rods, spinners and tackle box, all stolen from his home.

2 Ohioans In House Receive 100% Rating

WASHINGTON (AP) — Two of Ohio's 24 members of the House — Republicans Homer E. Abele of McArthur and Oliver P. Bolton of Mentor — have received a "100 per cent rating" for the first six months of the 88th Congress from Americans for Constitutional Action.

Rep. Robert Taft Jr., Ohio's Republican congressman-at-large, received an 88 per cent rating, and Carl W. Rich, R-Ohio, received 86 per cent.

ACA describes itself as a non-partisan political group "devoted to the spirit and principles of the Constitution."

Being Ship Captain Has Its Ups, Downs

NORFOLK, Va. — Being a ship's captain has its ups and downs.

And keeping up with them is a matter of vital dollars for captains such as Jean Morize, master of the French cargo vessel Mekambo.

Capt. Morize noted that the port of Savone, Italy, has a draft of 30 feet. But when the Mekambo took on 22,150 tons of coal at Lamberts Point it sank to a draft of 33 feet.

He calculated the 12-day trip to Savone will burn up enough fuel to bring the Mekambo up to 30 feet.

Actually, the ship could load another 5,000 tons of coal, but that would make a difference of one foot — enough to put the Mekambo aground in the Savone channel.

The Mekambo sailed from Genoa for Norfolk with 13,000 tons of ballast. About 7,000 tons of this was discharged enroute.

Coming in, Capt. Morize had a

problem of a different sort. The vessel had to be deep enough to get under the coal loaders at Lamberts Point.

Dartmouth juniors Fred Lynn Bates of Hillsborough, Calif., and Thomas Rand of Yazoo City, Miss., will captain the 1964 varsity track and golf squads, respectively.

OFF THE RECORD

Junior Editors Quiz on
SEA WATER

ANSWER: Salts are chemical compounds. We think of sea water as containing common table salt, which is sodium chloride. This salt makes up 77.8 per cent of all the salts in sea water. But there are other salts; the most important being magnesium chloride, magnesium sulphate, calcium sulphate and potassium sulphate. The land is where most of the ocean's salts come from. For millions of years rains have worn away rocks and carried dissolved minerals down through streams and rivers to the sea. Every year about 6500 cubic miles of river water moves into the sea containing several billion tons of salts.

Are these ocean salts of any value to us? Indeed they are. Microscopic plants, such as the diatoms, and minute animals, such as the protozoans, could not live without them. These tiny creatures and plants build mineral shells about themselves of amazing variety and beauty. Such tiny sea life is the main food supply of fish. We eat a great deal of fish and some day may use sea food even more. So you can see that the ocean salts play a very important part in life.

FOR YOU TO DO: What's the old salt doing a jig about? He's dancing a sailor's hornpipe because he feels so good. Try dancing the sailor's hornpipe. It's something like the Irish jig. Change the hand up in the air from right to left and back again.

Gary Fairchild of Corry, Pa., wins today's grand prize of a 20-volume World Book Encyclopedia for this question. Mail yours on a postcard to Junior Editors in care of The Review and you too may win a set.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: In my opinion, a close friend is making a serious mistake in bringing up her 4-year-old daughter. Please tell me if you think I should speak to her about it. My husband says I should mind my own business.

This woman waited 12 years for her first child. The little girl is beautiful and her mother doesn't let her forget it. When the child is asked her name she says, "My name is Debbie and I'm beautiful."

Every Saturday afternoon the mother takes Debbie to the beauty salon for a manicure and a hair-set. When the child goes out in company her mother puts lipstick, rouge and eye make-up on her. I became awfully upset about this. Several of my friends feel the same way. We can't understand why a mother would do this to her child. Shall I try to set her straight?—NAUSEA.

Dear Nausea: A mother who would paint a 4-year-old to look like a kewpie doll is so thoroughly hooked up that you can't reach her.

The real tragedy is that the youngster will in all probability be hooked up, too. It's unfortunate that children are available to anyone who is biologically able to produce them.

Spark Rekindled

Dear Ann: Ten years ago I was divorced and remarried. My pres-

ent wife is a fine person and we get along well together. At the time of the divorce Charlotte and I thought it would be best to move away—far away—so I took a job in another part of the world.

Now, after all these years we are back in the old home town and this is what I am writing about. I saw my ex-wife for the first time in 10 years. She looks more beautiful than ever. Everyone in the community has a lot of respect for the way she has conducted herself since the divorce. She still is single.

I would like to take her to dinner, say about once a month. Nothing personal, you understand, just friendly. After all, we have a lot in common and I believe it's a sign of maturity when divorced people can accept each other in a civilized manner. I hope you'll say okay because I believe she is lonely. —SIDE POCKET.

Dear Pocket: What a peachy combination — she's lonely and you want to be friendly.

You're angling for a rerun, Junior, and you know it. Why don't you and Charlotte go back to wherever you've been for the last 10 years?

Party Killers

Dear Ann: Ours is a ritzy neighborhood. There are 12 families

on both sides of the street. We all get along well, except for one couple which bugs us.

This couple refuses to join us in even one sociable highball. Nobody expects them to get smashed out of their minds, we just resent their stuffy, uncongenial, rock-headed attitude.

If they don't want to be one of the crowd why don't they stay home instead of making everybody uncomfortable by standing around without even a glass in their hands?

I'll bet you a pint of rye this letter will end up in your wastebasket because you're afraid to print it.—DOVER SOLES.

Dear Soles: You lose but don't send the rye, I'm another one of those stuffy, uncongenial, rock-headed types.

There is no evidence that your dry neighbors are interfering with your right to drink, so why don't you respect their right not to?

Confidentially

TO DON'T KNOW WHERE TO TURN: Turn to the Family Service Association. They have sympathetic, well-trained people who will help you.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Cost Of Clinic Builds Funds

LISBON — A balance of \$111,173 has been built up because costs of the Tuberculosis Central Control Clinic have run behind income for several years, the County Health Board was advised at its meeting Monday night.

A financial statement presented by Mrs. Betty Hendricks, the clinic clerk, showed that 1962 operations cost \$85,540, although the agency had income of \$99,400 from a voted levy.

The big balance has been built up over a period of years because income exceeded expenses, she said. The number of cases also has declined, she said. The levy that supports the clinic is due for a vote again in November.

Mrs. Hendricks also explained distribution of tuberculosis control drugs by the clinic to patients referred to the clinic by physicians, as well as to local health departments in East Liv-

erpool, Wellsville, Salem and East Palestine.

Monthly reports were given showing that the County Health Department has issued 58 plumbing permits and 50 sewage permits.

Harry Stockdale, sanitarian, made 23 food service inspections, 38 sewage, 13 nuisances, 7 refuse, 15 water, 4 plumbing and one swimming pool.

Elmer E. Cover, plumbing inspector, made 58 plumbing, 26 sewage, 10 water, one nuisance and one food service inspections.

Mrs. Violet Peterson, county health nurse, made 8 jail visits, 24 immunizations, 2 work certificates, 24 home visits, 7 auxiliary visits, 13 to doctors' offices, and 4 consultations. The office received reports on 25 chickenpox, 4 mumps and 8 measles cases during the month.

Present at last night's meeting were Atty. Howard Cole, president, Felix Butch, vice president, and Fred Johnson.

Next meeting is Aug. 19 at 8 p. m.

Tiffin Man Will Head Ohio Expositions Unit

COLUMBUS, Ohio (AP)—Ohio's new Expositions Commission has elected Eugene W. Schmidt of Tiffin its chairman. Schmidt, a Republican, was elected at the commission's first meeting Tuesday.

The commission also elected Arthur H. Milner, a Leesburg Republican, vice chairman, and Robert M. Ward Sr., a Westerville Democrat, secretary.

Women In Pughtown Set Session Thursday

Mrs. Wayne Huff will lead devotions when the Women's Association of the Fairview Presbyterian Church of Pughtown meets Thursday night at 8 in the social rooms.

The lesson topic will be chapter seven from the book, "One People of God." Mrs. Paul Wern, president, will preside.

Coverdish Dinner Precedes Women's Meeting At Lisbon

A coverdish dinner was held at the Morgan House of the Lisbon First Christian Church Monday evening, by the Phala Moore Circle of CWF, preceding the regular meeting.

Mrs. Bernard Smith, president, conducted business, when the purchase of a garbage disposal for the church kitchen was discussed. "Quick Cuts," a new type of vegetable cutter, will be sold by members of the circle.

"Church Spies in City Skylines," theme of the new six-month study course, was presented by Mrs. Donald Carman, program leader. Mrs. Edgar Kirk led worship.

Service Planned
Church services will be held Sunday at the County Home for the residents, in charge of Mrs. Harold Adams and Mrs. Kirk. Women of the church will prepare the food for the Lisbon inter-club picnic at Whinnery's Landings tonight for the Ruritan Club, the hosts. Twelve women from the two Christian Women's Fellowship Groups — the May Pritchard Circle and the Phala Moore Circle — will serve the food.

Next meeting of the Phala Moore Circle will be Monday, Aug. 18, at the Morgan House.

4 Awarded Prizes
Churchill Cackle Club was entertained Monday evening by Mrs. Dewey Brooks of Pleasant Heights. Mrs. Ernest Reisinger was a guest.

Prizes for cards were awarded

to Mrs. Floyd Pierce, Mrs. Mary Hoy, Mrs. William Burton and Mrs. Reisinger.

Next meeting is Aug. 10. Guests of Mrs. Dallas Hepburn of E. High St. are her daughters, Miss Virginia Hepburn of Scottsdale, Ariz., and Mrs. Henry Stahl and children, Wendy and Jeffery of Birmingham, Mich. The Stahls will be here for two weeks and Miss Hepburn will continue her visit until the last of August.

Visit From Fairmont
Mr. and Mrs. Clayton Hall and Mrs. C. D. Thorpe of Fairmont, W. Va., were weekend guests of their brother, Mr. and Mrs. Carl Hall of Churchill Rd. Mr. and Mrs. Howard Pennell of Salineville Rd. have returned from a vacation trip along the East Coast, including visits to Gettysburg, Virginia Beach and Washington, D. C.

Mr. and Mrs. Kenneth McDevitt of Phoenix, Ariz., former residents, are visiting his mother, Mrs. Leona McDevitt of Thomas Rd., and her parents, Mr. and Mrs. Floyd Landfried of East Liverpool.

Mr. and Mrs. Thomas Washam and family of E. Chestnut St. have as their guest his mother, Mrs. Alice Washam of James-town, N. C.

Mrs. Frank Flagan is recuperating at the home of her son, Mr. and Mrs. Paul Flagan of Guilford Lake, with a broken ankle suffered in a fall Sunday morning.

Today In History

By The Associated Press
Today is Wednesday, July 17, the 188th day of 1963. There are 167 days left in the year.

Today's highlight in history: On this date in 1938, flier Douglas Corrigan took off from New York's Floyd Bennett Field, ostensibly on a flight to California. He wound up at the Dublin Airport in Ireland — landing with neither permit nor passport. For his unusual feat, he became known as "wrong way" Corrigan.

On this date: In 1429, Charles VI was crowned King of France.

In 1754, eight students attended the first session of King's College in New York City—and now known as Columbia University.

In 1861, Congress authorized purchase of the first paper money by the U.S. government but the money did not become legal tender until the following year.

In 1940, the Democratic Convention nominated President Franklin Delano Roosevelt for a third term.

In 1945, President Truman, British Prime Minister Churchill, and Premier Josef Stalin of Russia, began their conference at Potsdam.

Ten years ago forty-two men were killed when a Marine transport plane carrying ROTC students crashed in flames near Milton, Fla.

Five years ago — The United States and Britain ruled out intervention in Iraq so long as their oil interests in that Middle Eastern country were not threatened.

One year ago—U.S. Air Force Major Robert White piloted the X-15 rocket plane to an altitude of nearly 59 miles.

Youngstown Concern Reports Earnings Up

YOUNGSTOWN, Ohio (AP) — Youngstown Sheet & Tube Co. reports it earned \$20,468,518, or \$5.85 a share, the first half of this year, compared with \$13,858,505, or \$3.97 a share, in the corresponding 1962 period.

Sales for the first half climbed to \$346,153,168 from \$341,011,542 in the 1962 first half. Second quarter net income rose to \$13,293,049, or \$3.80 a share, from \$4,458,611, or \$1.28 in the similar period the year before.

PRESCRIPTIONS BEYOND COMPARE

30 years ago? Seems like a long time to a youngster but not to his dad, who can remember many lives lost in epidemics because certain drugs were not then known. Dad knows it is illogical to compare today's prescriptions with "the good old days". The drugs prescribed today are certainly beyond compare... small wonders that may save a life, for pennies. Next time, bring your doctor's prescription to us.

Won't discolor from fumes, gases, smog

Resists unsightly mildew discoloration

1 coat covers, protects like 2 coats

Why sacrifice the time, trouble and expense of two coats when one coat does the job better? Wards adds extra titanium (best hiding pigment known) to the formula to assure one-coat coverage over any color—even black. Spray or brush it on, Style House One-Coat Super goes on easily, dries to a lustrous, uniform finish that stays bright and clean for years on wood or metal! It stays new-looking because special additives help prevent discoloration eyesores caused by mildew, smoke and chemicals. And except for two colors*, it's non-toxic when dry.

*Blind Green, Chocolate Brown

SELF-CLEANING WHITE

Cleans itself with each rain, stays dazzling bright! Contains 40% more titanium than ordinary paints

14 UP-TO-DATE COLORS

Popular, fashion-right colors resist chalking and fading. All are perfect for trim areas as well as siding.

WHY STYLE HOUSE IS YOUR BEST BUY

Style House

Wards own Style House paints are manufactured in our own modern plants under strictest quality control. And they're tested in both lab and field (in all areas and climates) to meet the high standards established only at Wards.
